Huron's New Sanitary Sewer Program Voted Down

Referendum Vote Brings Disapproval By Residents

Projects Lose By Big Majorities

NEW BOSTON -- A new \$4,050,000 sewer program proposed for Huron Township was voted down by township voters in a Special Referendum Election held Monday.

The proposed sewer program, called "vital" by township government, was presented to the township's electorate in two Contract Propositions.

Both were defeated by large majorities of the vote cast. A total of 1,436 of the township's 2,649 registered voters took to the polls, or better than 50 per cent of the township's voting lists.

VOTERS were asked to approve a request by the Township Board (that had approved the new program) to execute contracts with Wayne County to construct the sewer projects through its agency -- the Wayne County Road Commission.

Contract Proposition No. 1, defeated by a vote of 718 to 475, called for the construction of sanitary sewer improvements in the Township at an estimated cost of \$3,140,000.

Contract Proposition No. 2, defeated by a vote of 885 to 442, called for the construction of sanitary sewer improvements in the Township and the City of Flat Rock with the Township sharing with an estimated cost of \$910,000.

The Michigan Water Resources Commission had issued orders directing the Township to install the sewer project for the elimination of pollution in the Huron River.

IF BOTH propositions had been approved by the voters, George Angel, supervisor, reported that an additional millage of six mills would be required to finance the new sewer program and applied to each \$1,000 of assessed property valuation, state equalized.

Numerous sessions were conducted by township officials in detailing the program, answering questions of residents along with "emphatic urgings" for voter approval.

Area residents raised objections during the past two months or so claiming that the additional tax burden required to finance the sewer program as "excessive." They sought and won a referendum vote contending that residents should determine the issue.

FOR MOTHERS' MARCH

Muscular Dystrophy Chairman Appointed for Community

BELLEVILLE -- The appointment of Mrs. Robert Sampson, 46080 Chatsworth as Community Chairman for the upcoming Mother's March Against Time, Tuesday, May 28, was announced by Harold Dempster, chapter president of the Southeastern Michigan Muscular Dystrophy Association.

Together with 250 other key volunteers, Mrs. Sampson is attempting to mobilize nearly 30,000 mothers for this Annual March for the victims of Muscular Dystrophy.

This annual appeal is the only source of funds which Muscular Dystrophy Associations have.

With these funds, a comprehensive research program into the causes and cure of this crippling and usually fatal disease is underwritten, and a complete patient services program is financed.

So far, no cure has been found; but as long as a child can be kept alive, there is hope that before it's too late a cure will be found.

RESEARCH is costly, and so are the diagnostic evaluations and prescribed treatments and appliances which are provided through Detroit's own Muscular Dystrophy Clinic.

But for a growing boy or girl, life has to be something more than just the constant effort to stay alive.

The Southeastern Michigan Muscular Dystrophy Association has a trained medical social worker who acts as a liaison between the patient and the school systems, helping in every way to adapt existing educational programs to the changing needs of the muscular dystrophy patient.

Periodic parties highlight the year, and there's also a special summer camp for Muscular Dystrophy patients. There, each patient has his own volunteer teen-age attendant; and for ten wonderful days, he lives in a world created just for him.

Although most of these patients are confined to wheelchairs, with their attendant's help they're able to swim and

Belleville Junior High, Choir to Present Concert

BELLEVILLE -- The Belleville Junior High School orchestra and eighth grade choir will present a concert on Friday, May 17, at 7:30 p.m. in the Junior High cafeteria.

The orchestra will open the program with numbers by Handel, Mozart, and Ivanovic.

The orchestra is made up of all the seventh and eighth grade strings and selected wind personnel from the Junior High band.

The seventh and eighth grade string ensemble will play "Waves of the Danube" and the eighth grade violin ensemble will play "La Brunette," with Carol Ruff at the piano. The orchestra and ensembles are under the direction of Helen Joseph.

THE CHOIR and a select string group under the direction of James Melby will perform a number by Mozart and "The Sound of Music." The choir will sing "Born Free" accompanied by Paula Dolph and a Latin number "Mama Inez" with Rex Ritchie on the congo drum and Cynthia Hook at the piano.

The choir, largest in the history of Belleville Junior High with 130 members, will also sing an a cappella madrigal and a Christy Minstrel number, "This Ol' Riverboat." "Guan-tanamera," a modern arrangement of a Cuban folksong, will be performed by select singers, with Margaret Books playing a flute obbligato.

BULLETIN

BELLEVILLE -- Van Buren Township's qualified and tax paying property owners began voting Tuesday to decide a rezoning controversy that has raged on for several weeks.

Balloting in the township's Special Referendum Election is expected to be heavy although vote totals in the four voting precincts during the early hours Tuesday and election deadline totaled 268 out of an eligible registration list of 3,904.

The rezoning dispute involves Township Board's approval of 147 acres at McMillan's Point for the construction of a large apartment complex embracing 2,000 dwelling units, tennis courts, swimming pools and nine-hole golf course with club houses.

Van Buren School Mill Hike Plea is Defeated

Proposal Turned Down By 1,733 to 1,041 Vote

'Heaviest' Balloting Rejects \$5.50 Mill Levy Second Time

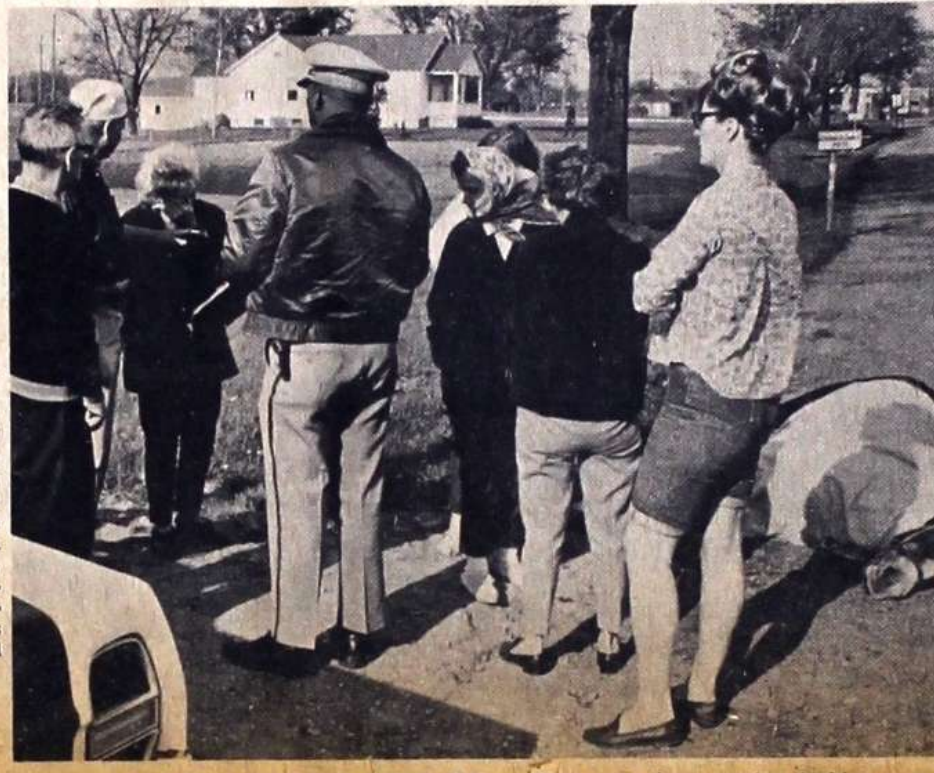

By HENRY CANTIN
ANP Staff Writer

BELLEVILLE -- Voters of Van Buren Public School District overwhelmingly defeated a proposed school Millage Increase Proposition of five and one-half mills in Monday's Special Election.

The vote was 1,733 to 1,041 against any further increase in school taxes.

Balloting was the "heaviest" in school history, Robert A. Hay, election chairman and secretary of Van Buren's Board of Education reported.

The total vote cast was 2,785 including 10 spoiled ballots. Approximately 7,500 persons were registered and qualified to vote in the election.

HORSE BECAME HIGHWAY FATALITY -- A 10-year three-quarter Arabian grey horse was fatally injured on East Huron Road Tuesday, May 6, when it was struck by a car. The horse was owned by Roy Traskos of 16244 Bak Road. She was being shown to a 4-H Club member who was leasing the horse for an upcoming 4-H Horse Show when the animal bolted away towards the highway and was struck.

HAS NINE CENTERS

Three-way Contract Signed by PRESCAD on Prescriptions

Children of low income families enrolled in Wayne County's PRESCAD Health Care Program may now obtain prescribed medicine from any pharmacy under a three-way contract signed by PRESCAD, the Michigan State Pharmaceutical Association and Michigan Blue Shield.

In Wayne County, nine PRESCAD centers are in operation, serving disadvantaged children who live in certain target areas.

PRESCAD doctors and dentists will write prescriptions which the patient can take to any pharmacy he chooses. PRESCAD, which is financed by a grant from the U.S. Children's Bureau, will pay the bill and Blue Shield will handle the book-keeping.

"This contract is an example of how PRESCAD was designed to operate," said Dr. John J. Hanlon, M.D., M.P.H., Director of PRESCAD and Director of the Wayne County Health Department.

"RATHER THAN set up our own pharmacies, we chose to use existing ones. The Michigan State Pharmaceutical Association represents some three thousand pharmacists. Rather than hire a large staff and purchase bookkeeping machinery, we went to the know-how of Michigan Blue Shield.

"The fundamental philosophy of PRESCAD is to use as many as possible of the excellent resources that exist in Wayne County, rather than to attempt to duplicate and work in competition with them," Dr. Hanlon said. "This was the reason for putting PRESCAD under the County Health Department because it could coordinate work

Democratic Non-endorsement Policy Explained by Party Chairman Levin

(Editor's Note: Senator Sander M. Levin, chairman of Michigan Democratic Party, in the following letter submitted to the editor explains the policy of the Democratic Party's non-endorsement in Primary contests between Democratic candidates. The letter was prompted by a published article on the opening of the campaign for Terry Trout for the 38th District State Representative seat. A comment in the article as reported to this newspaper apparently implied that Senator Levin was endorsing Trout's primary election.)

An article in your April 24, 1968 edition has come to my attention. This article described the opening of the campaign for Terry Trout for the 38th District seat in the House of Representatives.

I have received, subsequently, inquiries as to the position of State Central where there are Primary contests between Democrats. There is a Primary contest in this case since the incumbent legislator is a Democrat, Edward E. Mahalak.

The clear policy of the Democratic Party in Michigan is to avoid endorsements in legislative primaries. I am per-

sonally in support of this policy of non-endorsement by the State Party. It is up to Democrats in each district to choose their Democratic candidate, not the State Party apparatus.
At the same time, it is my duty as State Chairman to attend functions held by Democratic candidates and greet the assembled Democrats. I have been trying to carry out this policy, and I did so in the case of Senator Trout's party.

AS A RESULT, I was dismayed by language in the April 24 article which implied that I visited the party for former Senator Trout, not only as a normal appearance at the function of all Democratic candidates, but in a manner which implied any kind of choosing of sides in the Primary in the 38th District. In particular, I refer to the language which states as follows:
"Senator Levin said he was proud to be a part of the start of this campaign that the forecasts will come to a successful climax on August 6, 1968."
I have checked with people who attended the party, including Senator Trout, to determine whether I expressed such an

implied endorsement, perhaps even inadvertently.
I have been assured by all of those persons, including Senator Trout, that I did not state any preference in any manner whatsoever for any candidate in the 38th District race.
I would appreciate your use of this letter to clear up the record. Such will be important for an accurate reflection of our policy of non-endorsement.
The Democratic Party appreciates broad coverage of its activities, and I regret that this misunderstanding has occurred.

with both public and private agencies.
"In this way, PRESCAD delivers high quality health care in the most economical fashion. This is one more partnership as PRESCAD seeks to give continuing, comprehensive, coordinated health care from infancy through adolescence to children living in specified target areas of Wayne County."
DR. HANLON pointed out that Blue Shield's Medicaid experience will serve as a control factor, since about 50 per cent of the children have Medicaid benefits which can be billed by Blue Shield through that program.
"We appreciate the confidence expressed in us," John C. McCabe, Michigan Blue Shield president said. "This is another example of the soundness and importance of close ties between the private sector and its expertise, and governmental interests."
Blue Shield paid for approximately 1,500,000 prescriptions costing more than \$4,500,000 under Medicaid in 1967, McCabe said, and has developed computerized pricing and other procedures which will assist the effort. Blue Shield is distributing modified Medicaid claims forms to pharmacists to assist the service and is setting up separate audit and other review functions.

MANY OF the township's leading business and professional people, clubs and civic organizations endorsed approval of the proposed sewers as a "badly needed" program for the township.
The County Road Commission had pledged its faith and credit in the construction of the new sanitary sewers and was to undertake the project's construction.
Angel recently stated that if the voters defeated the program, the Water Resources Commission could get a court order compelling the Township to install the sewers. This is now expected.

for the 1968-69 school year would have to be trimmed by \$550,000 with resulting cutbacks in various school services and programs.
The current school millage stands at 23.40 mills per \$1,000 of assessed property valuation, state equalized.
THIS MILLAGE was reported to be lower than that of surrounding school districts by Harold O. Wetherell, school superintendent, and even if the voters had approved the millage increase request, it would still rate lower than some of the adjacent school districts.
The School Board is to hold its regular Board Meeting next Monday.
The decision of the voters will be discussed in detail and its effect on current school programs.
With increased costs in school operations, meeting of teachers' salary increments falling due in the new school year, and wage increases granted teachers and other school personnel last year, cutbacks in school programs definitely loom, it was stated.

Huron School Citizens Advisory Committee Lists Recommendations

NEW BOSTON -- The Huron School Citizens Advisory Committee submitted its Finance Committee's study report on the needs of the Huron School District to the Huron Township Board of Education last week.

The study report along with its recommendations was presented to the School Board at a specially called Board meeting last Tuesday, April 30, by Mrs. Donald (Glennice) Bosman, vice-chairman of the Citizens Advisory Committee.

The report dealt with four areas of school operations: Education, Personnel, Facilities and Finance.

The School Board in accepting the recommendations of the Finance Study Committee commented that it has hoped that the committee has been in a position to recommend some specific amount of school operational millage to present to voters next June.

The Board was told by the committee that there wasn't sufficient time available prior to the submission of the report to study millage amount.

The Board voted to accept the recommendations and is to hold further meetings. The recommendations are as follows:

- I. Facilities
 - A. It is recommended that buildings, grounds and landscaping be improved where needed as they are presently in poor condition.
 - B. Additional playground equipment should be placed at the Huron and Walts Elementary Schools.
 - C. Fencing for Riverside School should be investigated.
 - D. Lighting in Junior High School should be corrected.
 - E. Shades or blackout curtains should be installed where needed in the school system, to facilitate the showing of movies and eliminate glare.
 - F. Reddish desks where needed.
 - G. New Boston portable needs repairs on heating and window mechanics.
 - H. Recommend additional space for storage, office, Special Education classes and music instruction.
 - I. Walts School should be phased out as soon as possible.
 - J. Recommend over-crowded classrooms be elevated wherever possible particularly 4-5-6th grades and Junior High.
 - K. Transportation facilities and equipment are inadequate. We recommend improvement when practical.
- II. Personnel
 - A. In our opinion the present salary schedule with annual increments is equitable except the top range should be increased.
 - B. The School Board should investigate the cause of high teacher turnover, especially in the Junior High School.
 - C. Our committee feels that the secretaries we presently have

in the elementary schools are overworked. It is also felt that the library aides are asked to do many jobs other than supervise the library. The libraries should be staffed so they can be properly utilized. The situation regarding the non-teaching staff of elementary schools should be looked into to see if additional personnel are needed. There should be a qualified working maintenance supervisor whose duties would include grounds, maintenance and transportation. A competent supervisor is needed to coordinate work of the personnel in these areas.

E. We feel that the hourly rates for for cafeteria workers, custodians, maintenance personnel and bus drivers are wholly inadequate.

F. Inasmuch as the school aid bill presently before our legislators indicates that we will have an increase of from 11 1/2-16 1/2 over this year, our local tax is estimated to increase by 5%-10%. Therefore, it is our opinion that the 5 mill renewal is necessary to finance our schools for 1968-69.

The Finance Study Committee of the Huron Schools Advisory Council recommends that we only temporarily adjourn active participation in our study, rather than dissolve the committee. After the 1968-69 schedules and curriculum are established and the school year is underway, we should reactivate the Finance Study Committee and renew our research and study, for the purpose of making another recommendation in April, 1969.

The Publicity Committee recommends that the school board adopt a system or routine whereby all written public news media serving the school district be contacted by telephone or in writing on a weekly basis and be given any noteworthy items regarding the school district activities. We further recommend that the school board continue to publish the Huron School Reporter on a monthly basis.

The above recommendations were approved by a majority vote of those present of the Huron Schools Advisory Council and are based upon reports of the Finance Study Committee and its sub-committees on Education, Facilities, Personnel and Finance. It is recommended that these reports be studied in their entirety.

Respectfully submitted,
THE HURON SCHOOLS ADVISORY COUNCIL

RECOMMENDATIONS

The Finance Study Committee, upon completion of its study of the needs of our school district in the areas of Education, Personnel, Facilities and Finance, makes the following recommendations:

- I. Education
 - A. The Huron School District should continue to maintain University of Michigan accreditation, and strive for eventual accreditation with North Central.
 - B. All educational cutbacks that were made for 1967-68 school year should be restored for the 1968-69 school year.
 - C. The Vocational Education and Business Education curriculum should be upgraded wherever possible.
 - D. A four year sequence of at least one foreign language, preferably two, should be offered. They should be chosen from either French, Spanish or German. All three of the above should be offered in at least a two year sequence. It is further recommended that Russian be dropped from the language curriculum until all of the above recommendations are adopted.
 - E. As a larger selection of subjects become available, it is suggested that a stronger counseling program be adopted.
 - F. It is recommended that the heterogeneous grouping system be adopted where practical.

HOW MANY HORSESHOES WOULD IT TAKE TO PROTECT YOUR BUSINESS?

Not many businessmen worry about horseshoes anymore. They know it takes more than horseshoes to protect them if a customer is injured in their place of business. They know sound planning, not luck, is required if they are to recover from a weekend fire. An important part of sound planning is business insurance. It's expensive to base the future of your business on anything else, especially luck. Why don't you call the man with the insurance facts and experience... the CITIZENS MAN.

Charles Dick To Run for School Post

ROMULUS -- Charles J. Dick, Jr., 33, well-known Romulus Jaycee and civic leader, has announced his campaign for one of two expiring terms on the Romulus Community School's Board of Education. Election is scheduled June 10.

Dick, who resides at 34449 California, took out nominating petitions for the post last week. He has been resident of Romulus Township for 27 years.

His interest in community welfare, future growth and community schools has prompted him to seek the school board post, he stated Monday.

Dick, a past president of Romulus Jaycee Club and who served two years on the Michigan Jaycee executive board (1963-64), graduated from Romulus High School.

HE ATTENDED Henry Ford Community College and then completed his studies for a bachelor of science degree in Business Administration at Eastern Michigan University.

He is single, and has served the township in various committee assignments: Community Health Council, Citizens School Board Advisory Committee and recently appointed to Romulus Industrial Development Committee.

Deadline for filing nominating petitions is May 11 at 4 p.m.

Address Rotary

BELLEVILLE -- Ted F. Kuckelman, executive director of the Belleville Area Chamber of Commerce and past district governor of Rotary and one of Rotary's leading organizers, was guest speaker at Belleville Rotary Club dinner-meeting last night Tuesday, May 7.

The meeting was held at the First Methodist Church of Belleville.

MEA Seeks U.S. Recognition To Birth of Martin L. King

EAST LANSING -- The 21-member Board of Directors of the Michigan Education Association, meeting in East Lansing (May 2-3) adopted a resolution giving national recognition to the birth date of Dr. Martin Luther King, Jr. (Jan. 15) on a par with the birthdays of George Washington and Abraham Lincoln.

The MEA is recommending that all members of the 1.1 million-member National Education Association and its state and local affiliates, combine efforts to "petition state legislators, the Congress of the United States, and the President of the United States, to enact legislation setting forth the 15th day of January as a national day of recognition," for Dr. King.

The resolution was presented to the MEA board on behalf of the Detroit Education Association by Frank C. Jones, teacher at Hampton Junior High School, Detroit. The recommendations received immediate endorsement from the two Michigan NEA directors, and the chairman of the MEA Human Relations Commission.

THE COMPLETE MEA statement reads as follows:

"Whereas Dr. Martin Luther King, Jr. is referred to by many as having been America's Number One Citizen; and

"Whereas Dr. King dedicated his life to the proposition and realization that all Americans must have equal rights in a free society; and

"Whereas Dr. King actively sought to bring about this freedom by means of love instead of hatred; by non-violence instead of by violence; by unity instead of separation; and

"Whereas Dr. King was acclaimed by the world in 1964 as having made the greatest contribution to humanity in the area of civil rights thus meriting him the Nobel Peace Prize; and

"Whereas the life of Dr. King was taken because of his efforts in the area of human rights;

"NOW THEREFORE BE IT RESOLVED that the birthday of Dr. Martin Luther King, Jr., January 15, be recognized by

the Board of Directors of the Michigan Education Association as a day on a par with the birthdays of George Washington and Abraham Lincoln, and

"BE IT FURTHER RESOLVED that this Association shall recommend that the United Profession pool its efforts -- speedily and diligently -- through whatever channels it deems necessary, political or otherwise, to petition the State Legislators, the Congress of the United States, and the President of the United States to enact legislation setting forth the 15th day of January as a national day of recognition"

Eight Seek Board Post

ROMULUS -- Four more Romulus Township residents have taken out nominating petitions for election to the Romulus Township Board of Trustees, Alfred J. Perry, township clerk, announced. They bring to eight the number of persons with petitions.

The terms of Township Trustees, Jimmie C. Raspberry of 36254 Park Place, and Norbert Wegienka of 13702 Harrison expire this year. Deadline for filing of nominating petitions is June 18 at 4 p.m.

Persons taking out nominating petitions last week were: Joseph Saval of 37535 Castle Drive, John L. Johnson of 13159 Homestead, David C. Lange of

28430 Eureka road, and Jessie L. Tryon of 28350 Eureka road. Raspberry and Wegienka have announced campaigns for re-election in the August 6 Primary Election and have also taken out nominating petitions.

Others are: Robert D. Plank of 14459 Merriman road, who ran against Edmund Bizak for supervisor in 1966, and Rodrick E. Smith of 7300 Taft, Inkster, former township clerk.

Office seekers, Perry reported, must procure not less than one percent or not more than four percent of the Secretary of State's vote total of their party's vote in the Township's last primary election.

A' Statement
Worth Repeating

The American Civil Liberties Union has issued a statement on the willful violation of valid laws that is worth repeating:

"The ACLU believes that the way to correct injustice in a free society is to change valid laws by persuasion, not by their violation. Freedom to say what one believes, not to do what one wishes, is what is protected by the First Amendment.

"A democratic society is as much in need of compliance by citizens with laws with which they disagree as it is of the freedom to criticize and the means to change such laws...

"High motivation and deep-felt conscience may be... the moving force of those who practice civil disobedience. But this does not mean that those who disobey laws for... less altruistic motives should be convicted while those who deliberately disobey laws for better-motivated reasons should be acquitted. To make this type of distinction would be to change a nation governed by law to one governed by motivation alone."

A Chaplain Sees
Because He Knows

After recent uprisings in which Viet Cong guerrillas visited terror, death and destruction on South Vietnamese cities and villages, many wondered what turn the war would take next.

Many also deemed the assaults a serious setback for U.S. efforts. Time may prove otherwise.

An inkling of why the Viet Cong attacks failed may be found in the comments of Rear Admiral James W. Kelly, chief of Chaplains, U.S. Navy, who has had daily contact with the war in Viet Nam. He says:

"My observation of the morale of the troops is that morale is high. Phenomenally high, and stable and consistent. But why?..."

"THE ESSENTIAL difference between high and low morale... is found in the combat troop's perspective. He sees all around him evidences of what Viet Cong terrorists have done to the South Vietnamese people in the hamlets. No one needs to tell him about the terrible suffering of the South Vietnamese people at the hand of terrorist gangsters. No one can tell him it doesn't happen or isn't serious or is not as bad as it is depicted. He knows because he sees..."

"Any course which would lead to abandonment of a desperate people in their hour of need seems to him to be unthinkable and un-American... All the sophisticated arguments in the world will not alter the truth of the situation he himself sees."

"These words go a long way toward explaining why we are in Viet Nam and why we very likely will remain there for the foreseeable future."

GREEN BERET

They were a gallant army
Counties feared their name
They'd kill the enemy in fifties
That's how they got their fame.

Their hobby was killing their foe
Either day, or night, or dawn
They'd stay out on the battlefield
Until everyone was gone.

The bodies on the battlefield
Lay helplessly and still
They'd soon be in the graveyard
Over the little grass hill.

They didn't act like ladies
Or girls, not at all
And if they'd have put their mind to it
They could have made Berlin fall.

(Editor's Note: David Dilks, 9, Fourth Grade student at New Boston Elementary School submitted another poem using words that his spelling class teacher gave him in a test. He was to use the new words in a story as a test for correctness. The above poem is the result of the teacher's instructions. David is the son of Mr. and Mrs. Bruce Dilks of 20746 Waite Road.)

Glossary of Truckers
In New World of Words

Ever hear of a "bed bug hauler," a "cacklecrater" or a "pajama wagon?"

How about a "horse" or a "boll weevil?"

If this all sounds a bit unusual, the translation can be found in the just-released "Truck Drivers Dictionary and Glossary" published by American Trucking Associations.

This handy glove compartment-sized lexicon defines a "bed bug hauler" as a moving van driver, a "cacklecrater" as a truck that hauls live poultry, and a "pajama wagon" as a truck cab with a sleeping berth.

"Horse" is industry jargon for a truck tractor. A "boll weevil" is a novice truck driver.

THE GLOSSARY takes much of the mystery from the special vocabulary of the truck jockey and gives motorists, perhaps while they're stopped at a roadside cafe for some "hundred mile coffee," a chance to understand what they're hearing.

With the dictionary, for instance, the motorist can eaves-

drop on -- and understand -- truck driver gossip about the "cowboy" who got caught by the "big hats." Translated, that means a reckless driver was stopped by state troopers.

Among the glossary's entries are these further highway terms:

Aviator - Speeding driver.
Bible - The "Golden Rule" safe driving book.
Double Bottom - Unit consisting of tractor, semitrailer and full trailer. Also called "twin trailers" or "doubles."
Gum Ball Machine - Rotating warning light on top of an emergency vehicle.
Rags - Bad tires.
Sheep Herder - Driver with questionable ability.
Yardbird - Driver who connects and disconnects the tractor - semitrailer combinations and moves vehicles around the terminal yard.
Zypher Haul - Shipment of lightweight cargo.

The complete dictionary and glossary is available from ATA, 1616 P Street, N.W., Washington, D.C. 20036.

El Salvadorians Hold Farewell
Party for Peace Corps Member

(Editor's Note: The following article was submitted by Earl Threadgould of Belleville presently with the Peace Corps stationed at El Salvador, Central America. He is working with the El Salvador Agriculture extension service El Salvador.)

THE DESPEDIDA

Don Guillermo, why do you have to go, can't you stay another year and work with us? Will you ever come back and visit us?

These were the questions asked by the members of 4-C Club "El Progreso" of Canton Galeano during a farewell party (despedida) they held for me.

The club wanted to express their gratitude. They knew that I would not be leaving the country of El Salvador but I would no longer be visiting them regularly.

I had worked with the club

one whole year and was being transferred to the central office of Ag Extension to work on a filmstrip program. The club my mind at this moment. The words came rushing out. First, I told them I didn't like to say goodbye - I'd rather

Student
Reports on
Magi Show

By JULIE JOHNSON
Fourth Grade

ROMULUS - The Mt. Pleasant Elementary School had a Magic Show featuring R.C. Rue, the magician from Plymouth, on May 3.

There was a morning show and an afternoon show. The morning show was from 10 to 11 a.m. He did some funny tricks. He brought up some contestants and did tricks that were real easy for him but were IMPOSSIBLE for the students to do and figure out.

The kindergarten classes sat in the front, and then the third, fourth, and fifth graders followed.

Mother Cat
Adopts Litter
Of Another

BELLEVILLE -- A cat owned by Mrs. James McCullough of 19850 Karr road, that recently had a litter of four kittens of her own adopted three kittens of another litter when their mother died.

"Bunny" as she is called, is one-year-old Persian - Angora cat. A month ago she gave birth to four kittens, one died later. When a neighbor's cat died and left her brood of four kittens motherless, several days ago, Bunny came to the rescue and took them in hand.

All of the kittens at last check doing nicely, Mrs. McCullough reports.

AFTER THE SHOW, two girls from James S. Marshall's fourth grade class; Julie Johnson and Laurie Mannes, interviewed R. C. Rue.

Some of the questions they asked him were: "Do you like being a magician?" and "How many years have you been a magician?" His answers were, "Yes" and "Twenty-five years."

The teachers and students were dismissed class by class. There were nine teachers there: Mrs. Hildreth Regets, Mrs. Susan Hitchcock, Miss Judy Heady, Mrs. Nettie McDonald, Mr. Edward Fahey, Mrs. Verna Moore, Mrs. Shirley Read, and Mr. Ronald Bird.

The students thanked the Mt. Pleasant Elementary Parent Teachers Association for bringing the show to them.

wanted me to continue to work with them.

THE PARTY started around 11 a.m., when we all gathered around the local swimming pool. The extension agent and my counterpart for the past year, Concho Salazar, was there, too. While we went swimming, the sister of the club's leader prepared the food.

After we ate, the club formed sort of a semi-circle around me. The president, Roman Arana, started speaking.

He said he was glad I had worked with the club the past year, he was sure that everyone had learned something from me, and he wished that I could continue to work with the club. He said I would always be welcome. Each member spoke in turn expressing their thanks and saying they were sorry to see me leave.

The last person to speak was the local leader, Arturo Arana. He said he was very sorry to see me go and that he had enjoyed working with me. He asked me to come back whenever I could. I would always be welcome.

THEN IT was my turn. Golly, what should I say? It's impossible to remember all the thoughts that came flooding into

remember people by the good times we had together. Second, their learning had not been one way - I had learned a lot, too, and they had helped me. I also said I hoped the 4-C Club would continue growing and promised I would not forget them and would come back to see them.

Thus ended the despedida. I was sorry to leave for I had made many friends during the year I worked in the area. However, I had more challenges to look forward to.

As the Ag agent and I walked back to town, I thought of the past year and the good times. How could I forget them?

all you need!

If you don't want to pay the price of America's roomiest car try the second roomiest:

a new Chevrolet like this

If things like head, shoulder and leg room are important to you, take a close look at the new Chevrolet.

Automotive News did--and its 1968 Roominess Index shows Chevrolet is the second most spacious of all American sedans.

The roomiest? That distinction, we're not at all embarrassed to admit, goes to America's most popular luxury car.

Based on the Roominess Index, which totals seven key interior dimensions to the fraction of an inch,

Chevrolet's 4-door sedan scored 290.7. A tenth of a point behind the 4-door luxury model.

A pretty good showing when you consider how much more the expensive model sells for. And some of the other cars Chevrolet topped carry just as impressive price tags.

But that's just a sample of the pluses you get at a Chevrolet price. You'll find a lot more of them in the fine things Chevrolet has designed around all that space.

Drop down to your dealer's and bring the family. This one's a real crowd-pleaser.

JUNE 10 IS ELECTION

Six File Petitions For College Trustees

BELLEVILLE -- Six persons have filed nominating petitions as candidates in the Seventh District in the June 10 election for Wayne County community college trustees.

Those who filed their petitions before the 4 p.m. Tuesday, April 23, deadline were:

John C. Kreger, of 25349 Huron River drive, Flat Rock.

Alvin R. Lemke, of 104 Vincent, Inkster.

James R. McCartney, of 5683 Harvey, Westland.

Jack Raeside, of 16971 Woodworth, Redford Township.

John R. Ryan, of 35755 Oakwood Lane, Westland.

Gerald F. Smith, of 34150 Avondale, Westland.

The community college

Seventh District includes the cities of Belleville, Dearborn Heights, Flat Rock, Gibraltar, Inkster, Rockwood, Wayne, Woodhaven; the townships of Brownstown, Huron, Redford, Romulus, Sumpter, Taylor and Van Buren; and part of the city of Westland and the township of Canton.

Voters in six other Wayne County community college districts will also each elect a trustee during their local school board elections regularly held on June 10.

The only county communities not included in the election are Dearborn, which is served by the Henry Ford Community College, and the cities of Plymouth, Livonia, Northville and Garden City, which are served by Schoolcraft Community College.

Once elected, the seven trustees will be faced with the tasks of planning locations of the community colleges and of going to the voters for tax money to finance their plans.

Prior to 1840 dentists received their training by serving as apprentices to those already established. The first school to train them was at Baltimore.

Young Scientists to Compete In International Science Fair

The best of the nation's young scientists will be in Detroit this month (May) to compete in the International Science Fair. This is the first time in the 19 year history of the competition.

Winners of more than 400 local and regional fairs in the United States, Canada, Germany, Japan and other foreign countries will bring their prize-winning exhibits here on May 13.

Detroit will be represented by Ernest Bernard, 17, a senior at Catholic Central High School, and Dale S. Johnson, 18, a senior at Grosse Pointe High School. The two boys were Grand Award winners in the Metropolitan Detroit Science Fair which was held here in April.

In addition to the Science Fair awards, 34 other organizations including the Armed Services, will make their own awards.

Health awards in dentistry and medicine, will be made at a dinner on Thursday night, other special awards will be made at a convocation at 9 a.m. Friday and the Science Fair awards will be made at the final banquet on Friday night.

During their stay in Detroit, the entire official party -- a total of more than 1,200 people including contestants, parents, teachers and local fair officials will take a number of tours in the Detroit area.

THE ENTIRE group will be the guests of General Motors Corporation for a day-long visit on Wednesday to the GM Tech Center in Warren which will include a parade of automobiles of the past, present and future.

On Friday, all will spend the day at Greenfield Village in Dearborn.

Other tours available will include the Cranbrook Institute of Science, Wayne State University, Detroit Edison Company, Chrysler Corporation, Cadillac Assembly Plant, Great Lakes Steel Company, Ford Scientific Laboratory, Burroughs Corporation, and Marathon Oil Company.

Auction Still Needs Items

BELLEVILLE -- There is still need for items for the auction to be held at the 4-H Fairgrounds on May 11, Robert Hayward, official of the Wayne County 4-H Council, sponsors, announced. Response to the Council's plea for help has been good, he reported.

Residents are being asked to bring their usable discards, furniture, clothing, white elephants and what-nots as items to be auctioned off.

Proceeds from the auction sale will be used to build a new 4-H Council Building that

will house the new Donut Kitchen and 4-H Meeting Room, Hayward stated. However, anyone who wishes to auction off items can bring them and the Council will auction them off on a commission basis.

Those who wish to donate items needed are asked to call any of the following numbers: Robert Hayward, 699-3421 or 697-2801; Donald Curry, 697-7407; Christian Fischer, 941-3204; Edward Kentala, 753-9234; and Brooks Ballantyne at ST. 2-2826.

All Around The Town...

...WITH LEE

FIRST COMMUNICANTS

ST. ANTHONY'S First Communion class this year numbered close to 100 children who received the sacrament in a nine o'clock service Saturday morning, May 4.

Many of the youngsters were honored at parties that day, among them Tamara Ann Bolda whose parents, the Frank Boldas, entertained at an open house at their Savage road home, during the afternoon. About 60 close friends and relatives arrived from Detroit, Warren, Carleton, Livonia, Flat Rock, Waukegan, New Boston, Wayne, Romulus, Belleville, and Ypsilanti to enjoy a buffet dinner and festivities.

Among those attending was Tammie's great-grandmother, Mrs. Julia Nikorak, from Detroit. Assisting the hostess were her mother, Mrs. Josephine Gentz, of Ypsilanti, and her sister, Mrs. Karen Otter, of New Boston.

ANOTHER SATURDAY honoree was Sheryl Hudge who helped her parents, Tom and Grace Hudge, welcome guests to their Willis road home starting at three o'clock. About 45 relatives from Warren, Detroit, and Garden City joined others from Belleville for a turkey and ham buffet. SHERIE'S COUSIN, Carol Mitchell, another of the First Communicants, was also being feted that afternoon at a party planned by her mother and dad, the Joe Mitchells, of Sumpter road, Neighbors, friends, and relatives numbered about 30 at the buffet dinner at two.

A FAMILY PARTY at the Art Hill home on Van Allen drive was a triple affair in that it honored not only their daughter, Laurie, but two of their nephews, Dennis Hennells and Scott Hennells. The Hills entertained about 20 relatives at a five o'clock buffet Saturday including their son, Greg, who was home from Ferris State for the occasion.

Dennis, who received his First Communion at Our Lady of Good Council, in Plymouth, is the son of Ransom and Judy Hennells, of Plymouth. Scott is the son of Bill and Shirley Hennells, of Harmony lane.

SUNDAY PARTIES included the dual celebration for Cheryl Czajkowski and Danny Martin at the Art Hill home on Edgar drive. Co-hosts with Bev and Art were her sister and brother-in-law, Louise and Irv Czajkowski of Edgedale drive. For the two o'clock buffet there were about 60 guests from Dearborn, Temperance, Petersburg, New Boston, Waukegan, Westland, Livonia, and Belleville.

At Saturday's service at St. Anthony's, Cheryl's brother, Curtis, was commentator at mass, and Danny's brother, Artie, served as an altar boy.

THE SECOND of the Don Dorsten's four daughters, Kim, was another young lady to receive congratulations Sunday afternoon. Some 35 friends and relatives were invited to their E. Huron River drive home for a two o'clock buffet set-up. Guests drove in from Warren, Wayne, Romulus, Ypsilanti, and Belleville.

CHRISTOPHER LIEDEL was the young 'man of the hour' when his mother and dad, Gerry and Doug Liedel, welcomed guests to their open house at four in the afternoon. At six o'clock some 60 persons, including Chris's great-grandmother, Mrs. Delma McGrath, and his grandparents, the A. D. Liedels, of Maybee, and the Gerald Savages, of Belleville, sat down to dinner. Chris's God-parents, Walt and Dorothy Sksek, also attended and brought along a beautifully decorated cake, made in the shape of a cross.

Others attended from Detroit, Dearborn Heights, Milford, Maybee, and Belleville.

TWINS ARE ONE

THE MAY 3 birthdays of their twins, Shawn and Shari, was observed at a party Sunday, May 5, at the Roger Ferguson's Crandell court home. Present for the special occasion and watching the pair dip into their individual little cakes were their big brother, Leslie; and their grandparents, Mr. and Mrs. Arthur Shephard, (she made and decorated the cakes) with son, Brian, and Mr. and Mrs. Fay Ferguson, and daughter, Marie.

HONOR GRADUATE

DON GRECA, Jr., of 3050 Lakeview, Ypsilanti, completed his four-year apprenticeship program at Ford Community College last week. In honor of the full-fledged die maker, who's an employee of the Ford Motor Company at Rawsonville, his parents, the senior Don Greca, planned a surprise party at their Bemis road home.

Twelve couples joined the Greca family for the Saturday evening celebration which centered around a buffet supper, records, and dancing.

PVT. & MRS. NEIL MEDEIROS

Medeiros-Yearout Nuptials Solemnized In Wayne Church

The Wayne Free Methodist Church was the scene April 6, of the ceremony which united Dolly E. Yearout, of Belleville, and Private Neil O. Medeiros, of the U. S. Army, in holy matrimony.

The Rev. Robert Maxwell read the double ring nuptials at seven thirty in the evening. Soloist for the candlelight wedding, Anita Aho, sang "The Lord's Prayer," "O Promise Me," and "Because."

The young couple's parents are Mr. and Mrs. Vernon W. Yearout, of 4620 Sheldon road, Belleville, and Mr. and Mrs. George Medeiros, of 1665 Linville road, Westland.

APPROACHING THE sanctuary with her father, the bride appeared in a creation of silk organza over taffeta. Chantilly lace and seed pearls distinguished the portrait neckline and the hem of the A-line gown. Styled with a high-rise waistline and long, tapered sleeves, the dress featured a full cathedral train which later drew up into a bustle.

The tiered bridal veil, secured by an organza bow trimmed with seed pearls, drifted

to the elbow with additional tiers reaching beyond the train of the dress. Completing her bridal finery was a bouquet of daisy mums accented with blue cornflowers and matching velvet streamers.

As matron of honor, Mrs. James Cotelessee, of Lincoln Park, donned a formal gown of lavender silk organza over taffeta. A wreath of daisy mums held her floor-length veil and she held a partially-opened lavender parasol of silk organza filled with matching flowers.

Wearing identical ensembles were Nancy Kasmier, of Westland, in lavender; and Debbie Medeiros, of Westland, and Anita Yearout, of Belleville, sisters of the bridal pair, both in baby blue.

CINTHIA AUSTIN, daughter of the Clinton Austins, of Belleville, served as junior bridesmaid while three-year old Lori Lockard, daughter of the Allen Lockards, of Westland, assumed the duties of flowergirl. Both donned frocks of lavender and carried baskets of daisy mums.

Ringbearer was five-year old Douglas Austin, son of the Clinton Austins, of Belleville. Best man was James Cotelessee, of Lincoln Park. The corps of ushers included Gentry Yearout, of Westland, brother

of the bride; Monty Garrison, of Westland; and Wayne Harper, of Livonia.

For her daughter's wedding Mrs. Yearout chose a shift of baby pink lace with matching accessories and a corsage of pink carnations and white roses. Mrs. Medeiros, the bridegroom's mother donned a yellow ensemble trimmed in lace. Her accessories were chosen to match and her corsage was comprised of yellow carnations and white roses.

Local 735 Hall, Belleville, was reserved for the reception which followed with some 450 guests attending.

A 1966 graduate of John Glenn High School, the bride attended Cleary College and is now employed as a bookkeeper for Beneficial Finance Company, Ypsilanti. Her husband, also a 1966 John Glenn graduate, attended RETS Electronics School, in Detroit, and is currently stationed at Fort Knox, Kentucky.

Food: Big Business

Production with its marketing of food is the nation's largest business. It is larger than the automobile industry, steel, aerospace. It provides jobs for millions of people in production, processing, transportation, packaging and distribution of food for the consumer.

Millions of others engaged in the manufacture and distribution of equipment and supplies used on the farms and ranches of the nation are also dependent on the economic well-being of agriculture.

Riverside Schedules Book Fair

NEW BOSTON -- The students of Riverside Elementary School, located on Middlebelt road, will sponsor a Book Fair on May 9, 10 and 12, William Balwinski, principal, announced.

Students will be able to browse and purchase books on display in the Riverside School Library. The fair will be open from 9 a.m. to 3 p.m. on May 9 and 10, and 9 a.m. to 3 p.m. and 7 to 9 p.m. on May 12.

The fair will not only spur student interest and help build a home library but will also contribute to a worthwhile project. The school earns 20 per cent of all sales. Profits will be used for books and records for the library.

The Book Fair display will include attractive new books in all popular price ranges. All reading areas of interest to students will be presented in the display.

All students, parents and visitors are invited to attend and take advantage of this opportunity to pick up books for summer reading. See you at the Book Fair.

TEACHERS IN GROUP 'Camel Drivers' is Band With Specialized Sound

The sound of the "CAMEL DRIVERS," composed of local musicians, is a specialized blend of solid three part harmonies and strong driving instrumentals.

Their program ranges from hard rock to lovely ballads with lots of solid Motown "Soul" sounds. The popular and versatile group are equally at home on the concert stage or playing for a college hop.

The CAMEL DRIVERS met and formed as a group while attending Olivet College. The members are: Tom Curlin, singer and rhythm guitar; Terry Connor, singer and bass guitar; Dave Curlin, singer; Greg Sanders, lead guitar; and Jeff Mate, drummer.

Curlin teaches Sixth Grade at Alexander Hamilton Elementary School, Wayne; while Connor instructs Dramatic Arts and Journalism at Romulus Senior High.

Their first record release, "It's Gonna Rain" attained the number "9" spot in Lansing while achieving number "10" ratings in Saginaw, Grand Rap-

ids and Ann Arbor.

THE GROUP has made frequent appearances on Robin Seymour's "Swingin' Time" Television show and have done several tapes for outstate circulation. Their latest release is "Sunday Morning Six O'Clock" a tune creating excitement in the area.

Representatives of Capitol, Amy-Mala, and Decca Records have expressed great interest in releasing the disc nationally, it was reported.

An added activity of Tom, Terry, and Dave is making commercials for Radio and Television. They have sung lyrics for Plymouth Road Runner ads, Oldsmobile, Hudsons, Delco and Dodge Television Commercials.

The official CAMEL DRIVERS Fan Club, consisting of over a hundred members, can be joined by writing to: THE CAMEL DRIVERS FAN CLUB, Post Office Box 184, Wayne, Michigan 48184.

THE "CAMEL DRIVERS" -- The group shown above met while attending Olivet College and formed the "Camel Drivers," a band that is becoming popular with their specialized blend of solid three part harmonies and driving instrumentals. The versatile group are left to right: Tom Curlin, singer and rhythm guitar, who teaches at Alexander Hamilton School, Wayne; Terry Connor, singer and bass guitar, instructor of Dramatic Arts and Journalism at Romulus Senior High; Dave Curlin, singer; Greg Sanders, lead guitar; and Jeff Mate, drummer.

Jaycees Elect New Slate

BELLEVILLE -- The Belleville Jaycee Club has elected a new slate of officers. The election was held at Lodge Lanes, located on I-94 Expressway and Belleville road, May 2.

Named president of the Belleville Jaycees was Joseph Remus. Others elected were: Con Samonek, first vice-president; Peter Korgal, secretary; Al Birk, treasurer. Elected directors were: Fred Domen and George Grubbe.

Installation of the new officers will be held in July, Osborne said.

Mother-Daughter Banquets Planned By Local Churches

By PEARL MORRIS
WH 1-1187

The Men's Club of the Community Methodist Church will sponsor their annual Mother and Daughter Banquet in the church basement Friday, May 10. Serving will begin at 6:30 p.m. An appropriate after-dinner program is also being planned. Mothers of the com-

munity are cordially invited to attend and bring their daughters.

The Altar Society of St. Aloysius Church, Ozga Road, will sponsor a Mother and Daughter Banquet Tuesday, May 14, at 6:30 p.m. at the School Social Hall. Tickets are available from Janet Crook (WH 1-3589) or at the door. The menu will

consist of chicken and meat balls with all the trimmings. Everyone is welcome.

Tommy Joe Gondek of Huron River drive South returned home last Thursday from a two weeks vacation in the Bahamas with a former army buddy, Lawrence Ruedinger, of Wisconsin. The two young men were both discharged November 1 after

completing their service in the U.S. Army. Tommy's parents are Mr. and Mrs. Frank Gondek.

Donald Geoff Herrmann, three month old son of Mr. and Mrs. Donald (Jerry) Herrmann of Ypsilanti, was baptised Sunday at the Romulus Community Methodist Church, with Rev. Frank Leineke officiating. An uncle and aunt of the baby were sponsors, Frederick M. Hay, of Romulus, and Cathy Herrmann, of New Boston.

Maternal grandparents of Donald Geoff, Mr. and Mrs. F. W. Hay, entertained at dinner following the baptism at Howard Johnson's. Present in addition to the aforementioned were: the baby's paternal grandparents, Mr. and Mrs. Donald Herrmann, of New Boston; great grandparents Mr. and Mrs. Linford Boyd, of Flat Rock; Mrs. Flora Morris, of Romulus; and Mrs. Lillian Hay, of Belleville; and aunts, Mrs.

Virgil Varner, Carla Hay and Miss Pearl Morris, all of Romulus.

Mr. and Mrs. Austin King, of Hudson street, received a phone call from their second son, John, telling them of his Saturday, May 4, marriage to Cynthia Welch of Temple, Texas. The couple is residing in that city. Cynthia is a student nurse there and John is in the U.S. Army but expects his discharge soon. The couple was married at the Baptist Church in Temple. The Austin Kings' third son Tom and his recent bride, the former Terri Gogolin of Garden City, were Sunday visitors. They reside in Big Rapids where Tom attends Ferris Institute.

The Romulus Junior High Spring Concert, featuring band and orchestra, will be held 7:30 p.m. Wednesday, May 15, under the direction of Richard Kruse, conductor. The public is invit-

ed to attend. The musical program will be held in the gymnasium of the school on Olive Street.

A White Elephant Sale will be held Friday, May 10 (from 9 a.m. to 2 p.m.) and Saturday, May 11 (from 9 a.m. to 1 p.m.) in the Social Hall of the St. Aloysius Church, Ozga and Newville Streets. The Parents' Guild is sponsoring the event and promises a wide variety of items. Coffee and rolls will also be on sale.

Pack 231 Receives Plant Tour

BELLEVILLE -- Cub Scout Pack 231, sponsored by Trinity Episcopal Church, had its monthly pack meeting on April 22.

During Easter vacation, John Barber, local Chrysler-Plymouth dealer, arranged a tour of the Detroit assembly plant. Seventeen boys and adult chaperones attended.

A leaders meeting for planning up-coming activities will be held at Trinity Church at 7:30 p.m., May 13. All Cub Scout parents are invited to bring their ideas and come.

The next pack meeting will be on May 27, at 7:30 p.m.

A reception in honor of recent newlyweds, Mr. and Mrs. Donald Galvin (former Martha Chamberlain) was held Friday, May 3, at the home of his parents, Mr. and Mrs. Stephen McKenzie DuBrul at their home "Breuil Benoit Farm" at Lake Orion. About 100 relatives and friends were present. Attending was a local group on the bride's side; her parents, Mr. and Mrs. Jim Chamberlain, of Eureka road; brothers and wives, Mr. and Mrs. James Chamberlain, of Ypsilanti, Mr. and Mrs. Leon Chamberlain, of Warren; and a sister and husband, Mr. and Mrs. Robert Wilschek, of Mt. Clemens.

Mrs. Ida Klages and Miss Violette Klages returned to their Sterling street home Monday morning from their home in Lakeland, Florida where they spent the winter months. The ladies drove through and were away for six months.

Mrs. Jennie Sewell, mother of Mrs. Austin King, of Hudson street, left Sunday for her home in Rockford, Illinois after spending several weeks with the Kings here. She came to attend the wedding of her grandson, Tom King, on April 27.

Christine Snyder, daughter of Mr. and Mrs. Chester Snyder, of Ozga road, was among youngsters making their First Communion Sunday at the St. Aloysius Catholic Church. Afterwards the Snyder family enjoyed dinner at "Haabs" in Ypsilanti.

A wide variety of booths, games and concessions are being planned for the big annual Harrison P.T.A. Fair which will be held Saturday, May 18. This exciting event will be held at the school on Harrison road from 12 noon to 6 p.m. The public is cordially invited to attend.

The delightful fantasy "The Wizard of Oz" will be presented by the Romulus High School Junior Class, Wednesday and Thursday, May 8 and 9, in the auditorium of the Jr. High School on Olive Street. Mr. Terrance Cannon is director. The play will get underway at 8 p.m. and the public is invited. Admission is \$1. for adults and 75¢ for students.

Mt. Pleasant's Round-up is Monday, May 13

ROMULUS -- Kindergarten Round-up will be held at Mt. Pleasant Elementary School at 9:30 a.m., Monday, May 13, Harold Connon, Principal, announced.

Some 100 letters have been sent to perspective kindergarten parents and Connon requested any parents who have a school-age youngster next fall to attend.

Children must be five (5) years of age on or before Dec. 1, 1968, in order to be eligible for kindergarten for the 1968-69 school year.

Registration materials, a physical form and information on materials needed for kindergarten, will all be handed out at this meeting.

All parents of children who are entering school for the first time next fall should attend this meeting.

Mrs. Lucille Combs, the school nurse, Connon and Miss Judy Hedy, the kindergarten teacher, will all be available to answer your questions concerning anything to do with our kindergarten program.

Coffee and cookies will be available, courtesy of Mt. Pleasant PTA.

Four Local Seniors Get Scholarship

ANN ARBOR -- University of Michigan Regents' Alumni scholarships have been awarded to four area students, Ivan W. Parker, University's associate director of financial aids, announced. Some 1,009 Michigan high school seniors received scholarship awards. Local winners were:

Misses Kathryn M. Antonini and Judy L. Stillwagon from Belleville, seniors at Belleville High School and Miss Patti L. Kollever and Clarence A. Masson, Jr., of New Boston, seniors at Huron High School.

The winners were selected by a Committee on University Scholarships from about 2,900 applicants representing about 500 state high schools. Last year 1,000 seniors won scholarships.

The stipends vary according to the financial needs of the winners, and range from honorary \$50 entrance awards to \$770 per-year grants. Awards continue for the normal length of the student's degree program if his academic record justifies it.

Primroses are ideal for rock gardens and borders.

MOUTH TO MOUTH RESPIRATION -- Major A.R. Creighton, of the Civil Air Patrol, demonstrates mouth to mouth resuscitation on "Resuscitation Annie" while Chief Warrant Officer Touchstone looks on.

TAKES A TRY -- Cadet Calvin Landingham of Inkster takes a try with "Resuscitation Annie," the American Red Cross practice dummy while Major A. R. Creighton of Civil Air Patrol and CWO T Roy Touchstone supervises. (Photos by Sgt. Dennis Chie of Belleville)

Group Finishes Training

BELLEVILLE -- Cadets and seniors of Metropolitan Group 16 Civil Air Patrol that includes Belleville Cadets, have finished a two weekend training series on Red Cross and Civil Defense first aid courses and programs.

The two-weekend bivouacs, dedicated for this training saw the Cadets learned artificial respiration, care of injured persons and transportation of the injured.

Demonstrations and movies were given by Red Cross and Civil Defense instructors.

When Cadets completed the winter bivouac, Dec. 16, 18, they received their standard first aid cards. Upon the completion of the early spring bivouac, March 15 to 17, the Cadets will receive their Civil Defense Medical Self Help cards and certificates.

Community Forum Plans Reported Well Underway

BELLEVILLE -- The Belleville Area Clergy Association met last Wednesday, (May 1), to make plans for Belleville participation in the Southeastern Michigan Community Forum.

Channel 4 (WWJ-TV) will present the series of five half-hour documentary shows beginning at 7:30 p.m. Monday May 20 and continuing on Mondays.

Brochures entitled, "Racism! Rebellion! Renewal! What's it all about?" were distributed at most churches last weekend.

Those interested in being hosts to their neighbors for viewing the programs and discussing them afterwards are asked to fill out and mail the form attached to the brochure. Additional brochures are available at the entrance book-

THE GOAL set is to have groups discussing the programs in 30,000 homes in the Southeastern Michigan area.

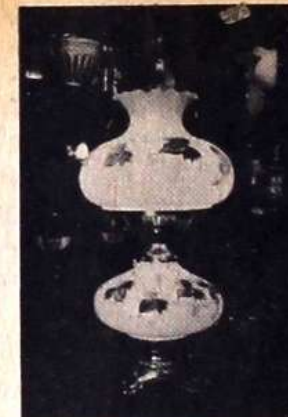

Father Richard Welsh assistant pastor at St. Anthony's Catholic Church, Belleville, reported many people seemed to have sensed the special importance of these programs for the summer of '68.

For example, he stated, many social studies teachers are planning to use the TV programs as the best available interpretation of how the Detroit black community feels and responds to what they label white racism.

EDWARD GARDNER
He Blew Out 'All the Candles'

Edward Gardner Honored at 100

By JOYCE HAGELTHORN

IT ISN'T GIVEN to every man to reach 100 years . . . but it was given to Edward Gardner last Thursday and as his children, his grandchildren and his great-grandchildren gathered about him in the Killingbeck Nursing Home on Cherry Hill he gave them his blessing and offered up thanks to the God whom he feels has led him by the hand all through his life.

Four of his daughters, Mrs. Ada Clark, of New Boston, Mrs. Zig Pawlowski, Belleville, Mrs. Harold Malloy, Wayne and Mrs. Genevieve Kerbawy of Blissfield, and one son Irving Gardner and his wife from Howell shared a huge birthday cake prepared by Mrs. Eleanor Gardner of Dearborn.

The afternoon party included people from the home as well as relatives and friends.

A gold money tree of 100 pennies was given to him by his two great-grandsons, Lynn and Brian Jackson who made the tree for their grandfather.

Miss Carpenter of Wayne dedicated a special song to him . . . "In the Garden," a song which had long been the favorite of Mr. Gardner and his late wife.

During the evening of his birthday, his only sister, Julia Hill who has herself seen 91 years, came over from Lincoln Park to help more of his grandchildren and great-grandchildren and his son, Christy Gardner of Dearborn, celebrate the century mark.

Mr. Gardner is well-known in Wayne, having lived there 60 years of his 100. He was born in Romulus Township and did carpentering in the Wayne area. Many of the homes now occupied by Wayne people were built by Gardner, and his partner John Wilson, 85, also of Wayne. Wilson helped his old friend to celebrate.

Gardner had 8 children, 7 of whom are still living; 16 grandchildren and 23 great-grandchildren. He was married for 69 years. His wife died almost five years ago.

As he stood to blow out his candle, he looked about at his children and their offspring, and he told them, "God has been good, so very good, to let me live this long . . . to see all of you. I have lived a long life . . . and I have lived it serving the Lord . . . and trying to be a good Christian."

And his prodigy answered, "Amen."

MARTIN W. BIRK

Belleville Man New Chairman Institution Bd.

Martin W. Birk of Belleville, Michigan was elected Chairman of the Wayne County Board of County Institutions replacing the late Mr. Wilfred G. Grant. This is the governing Board of the Wayne County General Hospital.

Mr. Birk, a former supervisor of Van Buren Township and member of the Wayne County Board of Supervisors was appointed to the hospital board in 1961 and has served continuously ever since.

He resides in Belleville with his wife Elizabeth and daughter Joy, a student at Belleville High. Another daughter, Mrs. Joseph Jeffers is a resident of Canton Township.

At this time, James J. Lightbody, M. D. was elected Vice-Chairman of the Board. Mr. Monroe Lake was re-appointed to the Wayne County Board of County Institutions to fill the vacant position.

Mr. Lake previously served on the hospital board from 1942 to 1962 and more recently served on the Wayne County Board of Health. He resides in Detroit, is married and the father of four children.

HISTORICAL AIRCRAFT--The tiny all-metal airplane, "Bremen," now sits in the Henry Ford Museum aircraft collection. The German built Junkers monoplane was the first ever to fly the ocean from east to west in April, 1928.

Antics Of Famous Fliers Live Again

GREENFIELD VILLAGE—Nearby Ford Airport was the scene of a quiet brief ceremony recently commemorating the 40th anniversary of one of the most famous, if not, most daring feats in the early days of aviation history during the era just after Lindberg's famous New York to Paris solo flight in May, 1927.

It was in April, 1928, that three daring, far-seeing fliers startled the breathless, watching world by announcing that they would attempt to fly Westward from Europe to the United States in a single engine airplane, a feat never before done, while dozens of flights were attempted during the 1927-28 era by fliers wanting to fly east from the United States to Europe.

The trio were, Baron Guenther Von Huenfeld, Captain Herman Koehl from Germany and an Irishman named Colonel James Hugh Fitzmaurice.

A German built low-wing monoplane made by the famous Junkers Airplane Company in Germany was used by the three for their Eastward trans-Atlantic flight. It was one of the first all-metal aircraft ever built in the world and had only one engine. The aircraft was extremely clumsy, small and very cramped for three men on a long flight.

But with stern confidence the three men took off in the Junkers single-engined monoplane in the early morning of April 12, 1928 from Baldonnel Field near Dublin, Ireland and headed out Eastward over the Atlantic toward the United States.

The flight with the primitive navigational aids and sheer courage alone was a fantastic feat and the inclement weather with high unexpected winds in the North Atlantic skies blew the small Junkers monoplane far off its course.

With an anxious world awaiting word as their whereabouts, the Junkers airplane which they had christened "Bremen" had additional problems when the Atlantic fog reduced their visibility to a hazardous level.

Finding themselves suddenly over land after 36½ hours in the air they crash landed the Bremen on an area known as Greenely Island on Labrador.

All three survived the nose dive landing on the soft ice with the exception of a few bruises. Fate stepped in to take the life of one of the greatest fliers the U.S. had ever known. Famous long-distance flier, and one of the first Polar pilots flew to the aid of the downed trio in Labrador and while on the Mercy mission contracted pneumonia and died.

Bert Blachen another of the United States most famous Polar and record-breaking pilots finally brought the three East to West fliers back to the United States where in New York City they were given the traditional famous ticker tape welcome up Broadway.

The tiny "Bremen" Junkers all-metal airplane is indeed an historical aircraft to see and has been on display for some years at the Henry Ford Museum aircraft collection. Visitors can see and touch this airplane that made such a famous outstanding first in the pioneering of ocean flights over 40 years ago.

The same route the three ocean-flying trail blazers flew in 36½ hours is covered by today's giant jet airliners carrying over 200 people in about five hours at speeds over 600 miles per hour.

Even though they were foreigners, then-President, Calvin Coolidge, presented each of the three fliers with the Distinguished Flying Cross at a special White House ceremony.

The ceremony which took place at the Ford Museum was to honor this 40th anniversary and a commemorative wreath was presented to the museum by the Honorable Erwin Hartman, Detroit's Counsel from Germany to J. Robert Dawson a staff member of the Henry Ford Museum.

Sign Up Now for YMCA Summer Camps

WAYNE -- The YMCA announced this week that it is taking reservations for its two summer camps, Camp Nissokone and Camp Ohyesa, as well as for day camp.

Camp Nissokone, located on 650 acres of land with one-and-one half miles of shore line on Lake Van Ertan near Oscoda, offers a chance to concentrate on learning specific skills.

Included in the program are swimming, sailing, canoeing, riflery, archery, camp craft, Ausable River trips, water skiing, tennis, land sports, drama, arts and crafts, horseback riding, and trips to Lake Huron and Lumberman's Monument.

Junior and senior campers, ages 9 to 16, will attend by the

following schedule: First Session, June 22 to July 12; Second Session, July 13 to August 2; and Third Session, August 3 to August 23. Canadian Trail-blazers, ages 14 and up, will attend: First Session, June 22 to July 12; Second Session, July 13 to August 2. Michigan Bike Hikers, ages 13 and up, will take their trip August 3 to 23.

The camp fee of \$250 includes the camp program, food, transportation, insurance, store money up to \$10, equipment fees and laundry service.

For additional information, write to camp director Chester "Chet" McLemore at Camp Nissokone Office, Birmingham YMCA, 400 East Lincoln, Birmingham, Michigan 48009, 644-9036.

Camp Ohyesa, located near Holly, offers children of different ages different emphasis of activity.

The Indian section, \$85, is for children ages 9 to 10; Frontier, \$85, ages 11 to 13; Ranch, \$90, ages 12 to 16; Voyageur, \$90, ages 13 to 16; Co-ed, \$50, ages 9 to 16; and family camp, \$65 for ages 12 and up, \$45 for ages 3 to 11, and \$5 for those under three years old.

All fees include transportation costs, insurance, boy's bank, equipment and food. Co-ed campers 12 years and older must pay \$2.50 for horseback riding instruction.

The camp this summer will have six periods. First period, June 24 to July 6; Second Period, July 8 to July 20; third

period, July 22 to August 17; fourth period, August 5 to August 24; Family Camp, August 25 to Sept. 2; and Canoe Trip, August 5 to August 24.

Camp Ohyesa, located 45 miles northwest of Detroit, is situated on 300 acres of woodland and open meadow overlooking Fish Lake.

All Ohyesa campers from 9 to 17 must be members of the YMCA of Metropolitan Detroit. A registration of \$10 is required with application. The total camp fee should be paid two weeks before the camping period begins. The registration fee is not refundable.

The Wayne Branch of the YMCA also offers a day camp for boys and girls 7 to 13 years of age. It is located at Lower Huron Metropolitan Park near Belleville. The activities include hiking, nature study, swimming every day, handi-

crafts, cookouts, archery and other recreational activities.

"Day Camp" means that the child will be at camp only during the day. He is to bring a sack lunch, but milk will be provided. The programming and supervision of the children is done by an experienced camp staff.

There are four periods: First period, June 24 to July 5; Second period, July 8 to July 19; third period, July 22 to August 2; and fourth period, August 5 to August 16.

There also are overnight campouts, the second Thursday of each period. The cost is \$27.50 for a two week period. There is an additional \$2.50 charge for bus transportation to and from the child's home to the Y. We leave the Y at 8:30 a.m. and return by 4 p.m.

Additional information about the camps may be gotten from the Wayne YMCA, 4422 S. Wayne Road, 721-7044.

Model United Nations Staged At Eastern

YPSILANTI -- More than 150 students took part in the third annual Model United Nations Assembly at Eastern Michigan University here. The four-day meeting ended with a plenary session yesterday (May 5).

This year, for the first time, students from other schools were invited to participate. Delegations were present from St. Clair County Community College, Macdonald College and Concordia Lutheran College.

Low Income Children Get Medicine

Children of low income families enrolled in Wayne County's PRESCAD Health Care Program may now obtain prescribed medicine from any pharmacy under a three-way contract signed by PRESCAD, the Michigan State Pharmaceutical Association and Michigan Blue Shield.

In Wayne County, nine PRESCAD centers are in operation, serving disadvantaged children who live in certain target areas. PRESCAD doctors and dentists will write prescriptions which the patient can take to any pharmacy he chooses. PRESCAD, which is financed by a grant from the U.S. Children's Bureau, will pay the bill and Blue Shield will handle the bookkeeping.

In all, 55 members of the United Nations were represented. Although this is less than half of the real membership, arrangements were made to have students represent all parts of the world and all shades of political opinion.

As a relief from a heavy program of morning, afternoon and evening meetings, there was a banquet and dance Saturday night at McKenny Union, which was also the site of the more serious side of the Model United Nations.

Jack! Come home. All is forgiven. I stopped in the Imagination Shop at Gates Furniture today and found the most gorgeous vase to replace the one I threw at you Saturday. Only \$14.95, honey. Your stitches cost more than that! Jill.

If it's this clean, you don't have to read this ad.

You probably have an electric range already.

There's no flame with an electric range. So there's no sooty combustion to dirty up pots and pans or soil kitchen walls and curtains. It's the cleanest way to cook.

With many electric ranges, you can forget messy oven cleaning. They clean themselves automatically, for about 7½ cents per cleaning.

There's free installation, too. Buy now at any retail dealer and

Edison will pay installation cost. (As long as your electric range is installed on Detroit Edison lines in any existing residence up to and including a four-family flat.) And Edison repairs or replaces electric operating parts—no charge for parts or labor.

For a bright difference in your pots and pans—and maybe even in your family's appetite—switch to an electric range.

Pack 857 Presents Awards

NEW BOSTON -- Cub Scout Pack 857 held their regular meeting on April 25 at New Boston Elementary School.

State Trooper Chapin of the Flat Rock Post and his dog "Sarge" demonstrated with slides, the process of training and the uses of police dogs.

The Cubs would like to express their thanks to Trooper Chapin and "Sarge" for an interesting and enjoyable program.

Bob Cat pins were awarded to Brian Moore, Leo Buk, Bobby Diedrich and Michael Smeltok.

Brian Moore, George Ward and Matthew Koczperski received Wolf Badges. Bear Badges were awarded to Keith Frazier and Lincoln Ward.

THE GOLD ARROW for the Wolf Badges was given to Brian Backhaus, Scott Knight, Billy Payne, Billy Orner, Glen Sum-

mers, Tim Schuman, Bobby O'Boyle and Mark O'Boyle. Jim Pershing was presented the Gold and Silver Arrow for his Bear Badge.

Activity badges were given in the Webelos group. Naturalist Badge was awarded to Scott Knight and Mark O'Boyle who also received a badge for Athletics.

Webelos Badge colors were presented to Brian Backhaus, Jerry Gonzales, Scott Knight, Matthew Kaczperski, Mark O'Boyle and Billy Payne.

As a fund raising project for their pack, the Cub Scouts have been selling candy and ball point pens.

Nearly nine out of ten nursing home patients are 65 years of age or older. Seven out of ten are 70 and older and one-half are 77 or older, according to the Michigan Nursing Home Association.

New Community Proposed To VB Planning Board

BELLEVILLE -- A public hearing will be held before the Van Buren Township Planning Commission June 12 on a proposed new community for Van Buren Township.

Called "The Community of Apple Run," it is being proposed on a land site, located on Morton-Taylor road between Tyler and Ecorse roads.

Landowner, Joseph Lambert of Romulus, owner of Romulus Department Store, has filed a petition for a rezoning of the land area of 231.88 acres to permit construction of the community.

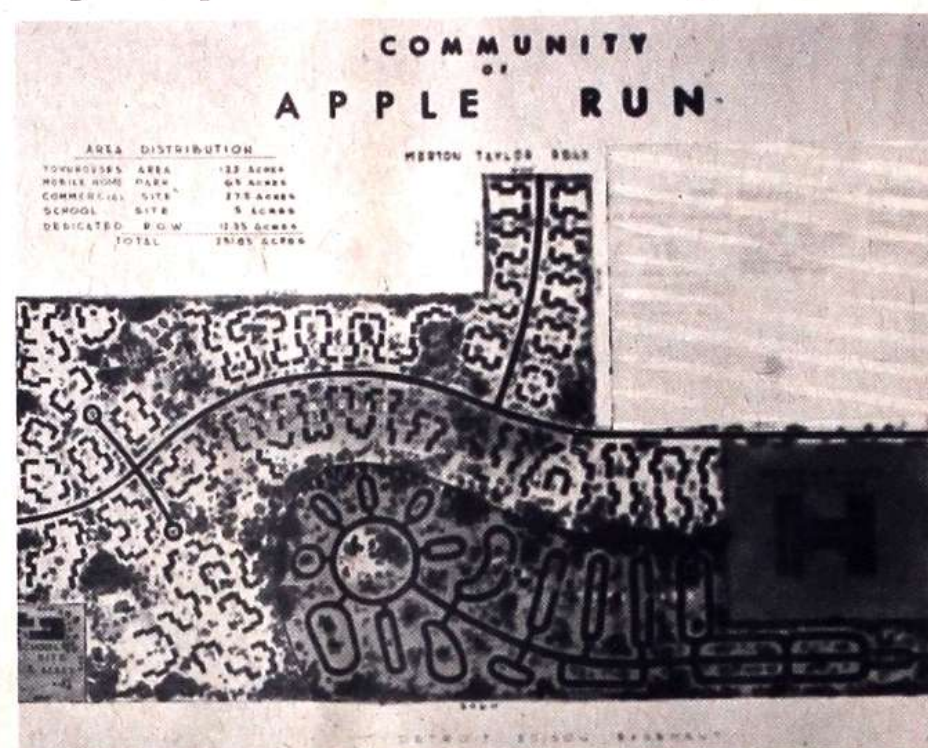

The petition lists the proposed construction of 1,600 townhouses that will be available for purchase on 122 acres; a Mobile Home Park on 65 acres; a commercial site of 27.5 acres and a school site of six acres.

THE PROPOSED Townhouses would consist of 600 one-bedroom units, 600 two-bedroom units and 300 with three bedrooms.

Recreation and swimming facilities that are planned for the community will take another 25 acres. There will be parking areas for 2,670 cars.

The Mobile Home Park proposal would include 500 trailer units, parking for 750 cars and land for recreation and swimming facilities.

In the commercial portion of the project, there would be 200,000 square feet of space for businesses with parking for 2,280 cars, a service drive and loading dock.

PROPOSED COMMUNITY OF APPLE RUN -- A public hearing will be held June 12 at the Van Buren Township Hall on a proposed new community for Van Buren Township of Apple Run to be built on 231.88 acres of land on Morton Taylor Road between Tyler and Ecorse Roads. Above is an architect's sketch of the proposed project. In the lower right is 27.5 acres for a commercial site. 122 acres (front center) would be for townhouses and lower center a Mobile Home Park.

'Can Dance' Proved to Be Success

ROMULUS -- The Romulus Junior High School Student Council reports that their April 23 project proved to be a "big success."

They sponsored a "Can Dance" whereby each student who attended contributed one or more cans of food. For each can contributed, the student received a ticket which then entitled them to a free coke or bag of potato chips. The council received approximately 400 canned goods.

This food will be donated to the Office of Economic Opportunity, which in this district is supervised by Mrs. Christian Anderson.

Because of the enthusiasm of the student body the council is considering making this type of dance an annual affair.

Wayne State University opened spring football practice on May 1st with the largest turnout in the school's history.

NEW BOSTON EVENTS

U.F. Offering Free Medical Tests At Westland Center

By Mrs. William Hovenstein 753-3801

The Women for the United Foundation in cooperation with the United Health Organization will sponsor "Health-O-Rama - 1968." Locally, it will be held at Westland Shopping Center, May 16, 17 and 18.

A minimum of 12 free medical tests will be given each person. All persons are urged to attend and take advantage of this opportunity to undergo the free tests for early detection of disease. Exhibitions and demonstrations will also be featured at the event.

Women are needed to act as volunteer hostesses and to assist in registering those who request the tests. Shifts are three and one half hours in length, (11 a.m. to 2:30 p.m.), (2:30 p.m. to 6 p.m.) and (6 p.m. to 9 p.m.).

Anyone interested in assisting in this event as a hostess may call Mrs. Donald Bosman at 753-3264 to volunteer.

Township Health Committee will hold an immunization clinic Thursday, May 9. Morning clinics will be set up at both Riverside Elementary School on Middlebelt road and New Boston Elementary, 9 a.m. to 12 noon. An afternoon clinic will be held at Huron Elementary School located on Merriman road from 1 p.m. to 3 p.m. The evening clinic will be held at the New Boston Elementary School starting at 6 p.m.

Girls Scouts of Troop 221 will give a Mother and Daughter Banquet for Scouts and their mothers. It will be held May 12 at Riverside Elementary School. The Troop and leaders, Mrs. Everhardt and Mrs. Frank, have been busy making preparations for the event. They have made floral centerpieces for the tables and have planned a menu.

Previously all three locations serving hot lunches in the Huron School District offered the same menu. For the remainder of this week a different menu will be offered at each school.

At Huron Elementary School the menu for May 9 through May 17 include:

Thursday, May 9: pork and gravy, sauerkraut, peas, apricots, bread and butter and milk.

Friday, May 10: tomato soup, grilled cheese sandwich, fruit and milk.

Monday, May 13: spaghetti, green beans, peaches, bread and butter and milk.

Tuesday, May 14: chicken noodle soup, peanut butter sandwich, cheese sticks, fruit and milk.

Wednesday, May 15: beef roast, mashed potatoes, butter corn, fruit jello, bread and

INVOLVES LOCAL AREAS

Wayne's OEO Seeking Federal Grant To Conduct 'Operation Summertime'

By PAULA GRIFFIN

A \$100,161 Federal grant has been requested by the Wayne County Office of Economic Opportunity to conduct a special summer program to provide employment and recreation for low-income youth in Hamtramck, Highland Park, River Rouge, Ecorse, Inkster, Garden City and the townships of Taylor, Romulus, and Sumpter.

The program, Operation Summertime '68 would involve approximately 350 teenagers

between 14 and 20 in meaningful employment and up to \$5,000 other youngsters in recreational activities in an effort to prevent the tensions and problems frequently caused by restless unemployed youth.

Operation Summertime is aimed at easing the severe summer job shortage facing teenagers in the metropolitan area and supplementing local recreation programs. The six-week program is scheduled to begin July 8.

The proposal for Operation Summertime includes:

EMPLOYMENT - Teenagers from low-income families will be employed as police, park and recreation aides in municipal departments and as community youth aides in the OEO's Neighborhood Action Centers.

In Garden City, the proposal calls for a pilot project in hiring special education students. The young employees would work 25 hours a week.

RECREATION - This phase of Operation Summertime is designed to expand and strengthen local recreation programs in each community by providing funds for needed equipment and supplies, organizing sport teams and physical fitness clinics.

DAY CAMPS - Chartered buses will transport groups to parks for all-day outings. Games and nature study for children and discussions and homemakers instruction for mothers are planned.

ENRICHMENT - In areas where no such programs exist, a site will be selected for arts and crafts, story telling, tot-lot activities and homemaker demonstrations. Bus trips to points of interest, such as the zoo, museums, and auto plants, also are slated.

Wayne County Suburban Legal Services, Inc., will present a series of programs to acquaint teenagers with the meaning of law, the courts and the legal profession.

SUMPTER CAMP PROJECT - Thirty local teenagers will be housed in tents during week-long work and recreation sessions in rural Sumpter Township. Their jobs in this pilot program will include repairing roads, clearing brush, digging drainage ditches and assisting area farmers.

The total estimated cost of Operation Summertime '68 is

\$129,975 with \$29,814 representing local share contributions to supplement the Federal grant.

Wayne County's Project PRESCAD (PRE-school, School Children and Adolescents) will pay the cost of health, dental and vision examinations and follow-up services for the youth employed in Operation Summertime.

A Retirement Dinner honoring Mrs. Kathryn Burch, veteran and popular Romulus postal employee turned out to

be a community - wide affair. Above is a scene of friends and guests who attended.

Romulus Community Honors Mrs. Burch

ROMULUS -- The community-wide retirement dinner held Sunday, May 5, in honor of Mrs. Kathryn Burch of 12071 Schultz street was held in the dining room of Colonial House on Telegraph road, with close to one hundred friends of the honoree in attendance.

Emund Bizek, township supervisor, and Robert McConeghy, supt. of Romulus Community Schools, were guest speakers. Bizek presented Mrs. Burch with a Certificate of Appreciation in recognition of outstanding community service. McConeghy praised the honoree for her generosity in regard to the Eugene Burch award.

KATHRYN WAS also presented with a United States Savings Bond, plus a sum of cash, as a tribute from her many friends in the township. She spent 26 years behind the window at the Romulus Post-office and always had a smile for patrons who visited there.

Her retirement will take Mrs. Burch and her husband, Jimmy, to their former home in Evansville, Indiana, where a mobile home has been purchased. From there the Burches plan to travel extensively throughout the United States and Mexico.

Is State's 'Implied Consent' Law Effective? Officials Give Report

EAST LANSING -- Excessive drinking continues to be one of the major factors contributing to traffic fatalities in Michigan. Is the state's new "implied consent" law helping to take the over-indulging driver off the road?

The law, effective since Nov. 2, 1967, states that drivers operating a motor vehicle in Michigan must consent to a chemical test for blood alcohol content if arrested for driving under the influence of intoxicating liquor (DUIL).

Since November, 4477 DUIL stops have been reported by state, local and city police and it has been reported that 417 drivers have refused to take a chemical test. Under the law, a driver's refusal can result in the suspension or revocation of his driver's license from 90 days to two years.

SINCE THE law specifically states that a suspect has the right to demand that only a breath test be given, 4048 motorists received this type of chemical test.

In order to assure that an adequate number of qualified police operators and breath testing instruments are available throughout the state, a mammoth training program has been underway at Michigan State University's Highway Traffic Safety Center since September.

Thus far, over 800 state and local police have attended a 40-hour training program and have been qualified as breath testing operators by the Michigan Department of Public Health. The school is being conducted with the cooperation of the Michigan Law Enforcement Officers Training Council, the Michigan Department of Public Health, the Department of State Police and MSU's Highway Traffic Safety Center.

Of the 4048 drivers agreeing to a chemical test, 3350 tested

above 0.15 percent which is legally presumptive of a driver being under the influence of intoxicating liquor under the law.

SOME 601 motorists tested between 0.10 and 0.15 percent, indicating that their ability to operate a motor vehicle was impaired. Drivers arrested for DUIL who have refused to take a chemical test may request a hearing on the suspension or revocation of their license be-

fore a license appeal board. Current statistics indicate that far more DUIL arrests are now being made than before passage of the law.

Most traffic safety officials agree that with strict enforcement by police agencies, fair adjudication by judges and strong support by the driving public, Michigan's "implied consent" law could be an effective force in the apprehension and prosecution of the over-indulging driver.

468 Local Boys to Take Part in Scout Jamboree

A total of 468 Boy Scouts and Explorers from the Metropolitan Detroit area will attend the Seventh National Jamboree of the Boy Scouts of America next year, William J. Bird, chairman of the Jamboree Committee for the Detroit Area Boy Scout Council, reported.

Information and applications are now being readied for distribution to troop and post leaders in the local council. Such applications, Bird said, are to be made to the Scout Service Center in Detroit. The area council embraces Wayne and parts of Macomb and Oakland Counties.

The Seventh National Jamboree, limited to about 40,000 participants, will be held at Farragut State Park, Idaho, site of the World Jamboree held there in 1967. The dates are from July 16 to 22, 1968.

ALL APPLICANTS will be interviewed by a Selection Committee composed of local council executive board members. Bird said that F. Lloyd Smith, Council Commissioner, will serve as chairman of the Selection Committee.

Bird said that in order to be

eligible to attend the jamboree, Boy Scouts must have attained age 12 on or before Sept. 1, 1968 and have achieved Star rank by April 1, 1968.

Explorers must be registered as Scouts or Explorers on or before July 1, 1968 and must meet requirements of camping experience, leadership and Scouting spirit.

OTHER JAMBOREE Committee chairman are S.J. Rozema; John Adams, promotion; Harry Rogan, transportation; Jervis C. Webb, equipment; LeRoy E. Kierfer, gateways & campsites; pre-jamboree training; James McCormick, health & safety; Dr. Harvey D. Lynn; and participation, Duke Fisher.

Tentative plans include two travel options for the Scouts and leaders who will attend the jamboree. Each will be via special trains leaving from Chicago, and each will offer opportunities to visit major historic and scenic sites enroute to and from the jamboree.

April Road Toll Shows Reduction

Michigan's provisional count of 142 traffic deaths for April was 20 or 12 per cent less than the all-time high of 162 set for that month a year ago, the State Police reported.

The April loss also was six less than the average of 148 for that month in the five years, 1963-67.

The April deaths included eight motorcycle riders, 39 persons killed in 33 ran off the roadway accidents, and 59 persons killed in 41 two-car accidents.

The accumulated total of 579 fatalities for the first four months was 41 or almost eight per cent more than 538 for the same period in 1967.

Delayed death reports will increase somewhat the April and accumulated counts.

Special Parent Program Planned at Junior High

BELLEVILLE -- The Belleville Junior High School Physical Education Department is planning a demonstration program for parents. Students will be participating in many of the activities that they have learned this year.

Most popular among the seventh and eighth grade students choices seem to be tumbling, gymnastics, and square dancing.

Other features of the show include relays, group games, fitness testing, and a special salute to youth.

Moose Lodge Notes

The Loyal Order of Moose, Belleville Lodge No. 934 have elected new officers for 1968-1969. They officially took over as of May 1.

We had a very good showing from Belleville at the State Convention at Saginaw April 26-27-28. Governor George Manly, Jr., Past Governor, Arthur LaPorte, Secretary George Steger and Trustee Charles Morton were among those present.

Tonight Wednesday, May 8, there will be a membership meeting at the Moose Home at 7 p.m.

On Sunday, May 5, Governor Manly, Jr., Governor George (Wes) Owen, Prelate Lester Riney, Secretary George Steger, Treasurer Robert Sikorski, and Sgt-at-Arms Wilbur Palmer attended the officers school at the Jackson Lodge.

There will be a Legion Candlelight enrollment on Saturday, May 11, at the Belleville Moose Home.

Frank Mindel, Former Waynite, Is Killed

WAYNE -- Frank Mindel, 50, who for 13 years had been a Wayne resident, was killed Friday, April 26, when the tractor on which he was working tipped over at his farm in Emmet County near Petoskey.

Services were held at 4 p.m. Tuesday, April 30, at the Stone Funeral Home in Petoskey. He was buried in Greenwood Cemetery which also is near Petoskey.

Mindel came to Wayne in 1953, and worked for 13 years at the General Motors Hydraulic Division in Willow Run. He retired due to ill health in 1966.

Born June 27, 1917 at Bay Shore, he attended the Murray School there. He married Arlene R. Bissell in 1934 at Charlevoix. Mr. Mindel operated a delivery service in Petoskey from 1944 until 1948 when he went to work for Parker Motor Freight in Petoskey.

Earlier he had sailed with the J.B. John and served with the U. S. Army in World War II.

He is survived by his wife and son, George W., who live

YMCA Plans World Service Drive in May

WAYNE -- The Wayne Branch YMCA will launch its World Service Drive for \$675 to help strengthen YMCA work in 39 countries around the world. The campaign will be held during the month of May, it was announced this week.

World Service Chairman, J. D. Clark, explained the Branches' drive is part of continent wide YMCA effort to raise 3 million dollars in 1968 for its overseas work. The major portion of the funds raised in North America will go to support 54 North American YMCA men overseas. They will serve as fraternal secretaries in 31 countries of Africa, Asia, Europe, South America and the Middle East. In addition, 10 recent college graduates will be sent abroad as Student World Service workers.

World Service which started in 1889 enters countries by invitation only to help them in the task of nation-building.

The YMCAs everywhere are many things. They are stimulants to people to think for themselves. They are places of inspiration for ideals and actions based upon them. They are schools that prepare people for livelihoods. They are bridges of understanding between individuals, communities, and nations and between young people and their elders. It is a force for peace and brotherhood.

WAC's Offer New Program To Enlistees

WAYNE -- The United States Women's Army Corps (WAC) celebrates the 26th anniversary of its founding during the month of May, Sergeant Robert Reed of the Wayne recruiting station said this week.

The anniversary will be observed with a special enlistment plan known as the "All Michigan Women's Army Corps Company." This will entitle Michigan girls to be sworn into the army on June 29, then fly directly to Fort McClellan, Alabama, where they will live, and train while attending basic training.

"The girls receive a written guarantee in the course of their choice," said Sergeant Reed. "This includes such fields of study as medical technology, food service, dental, medical, personnel or public relations to mention a few."

Those women seeking more information on the Women's Army Corps and the "All Michigan Women's Army Corps Company" can do so by calling Sergeant Reed at 722-3388 or visit him at his recruiting station located at 3716 Newberry in Wayne.

Richard Nixon To Give Speech

LANSING -- Former Vice President Richard M. Nixon, candidate for the Republican Presidential nomination, will speak at the Lansing Civic Center Friday, June 7, at the 4th annual Republican Legislative Dinner, according to Charles E. Kirsch, Republican State Finance Chairman.

CONGRESSMAN FORD

Area Municipal Officials Confer in Washington

City officials from Belleville, Garden City, Inkster, Wayne and Westland participated in Congressman William D. Ford's fourth annual Municipal Officials Conference in Washington.

The three-day program's primary theme was crime and law enforcement. Other topics included water pollution and discussions by representatives of the Army Corps of Engineers, the Land and Facilities Development Administration, the Dept. of Housing and Urban

Development, the Bureau of Outdoor Recreation and the Administration on Aging.

ATTENDING FROM BELLEVILLE were: Mayor Royce Smith and councilmen Kenneth Palmer, Anthony Sam and Donald Walters.

FROM GARDEN CITY were: Mayor Timothy Murphy, Councilman Wilson L. Taylor, Urban Renewal Director Henry Graper, Fire Chief Onas Rowe and Attorney Ronald Mack.

FROM INKSTER were: Mayor John Wagner, councilmen Leon Carroll, Robert Cullen, Clyde Hamlin and City Manager Ralph DeSantis and Housing Director Charles Thompson.

FROM WAYNE were: Mayor Kenneth McKay, Municipal Judge John C. Seiler, Councilman William Stottmeyer and City Manager Wallace Arrow-smith.

FROM WESTLAND were: Mayor Thomas Brown, councilmen Mrs. Justine Barnes, Virgil Gagnon, Henry Lundquist,

John Markes and Robert Wagner, plus Planning Commissioner O. D. Courtney, City Clerk Mrs. Marion Williams and Ronald Halko of the police department.

Others attending included Richard Brender, who serves as engineer for Belleville and Huron and Sumpter townships; and Pat Cosgrove, engineer for Westland and Dearborn Heights.

Donald Cook Marine Grad

WAYNE -- Marine Private Donald T. Cook, son of Mrs. Nellie Cook, 4391 Venoy Road, recently graduated from eight weeks of recruit training at the Marine Corps Recruit Depot

in San Diego. He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

ENDORSEMENT--Vice-President Hubert H. Humphrey (left) and Congressman William D. Ford (Democrat-15th District) are shown shaking hands. Ford went on record recently as endorsing Humphrey for the Presidency, Ford's statement following closely upon the heels of Humphrey's announced candidacy.

Cong. Ford Endorses Humphrey

WAYNE — Congressman William D. Ford (Democrat-15th District) announced recently that he will support Vice-President Hubert H. Humphrey in his bid for the Democratic presidential nomination.

Congressman Ford's statement came shortly after Vice-President Humphrey announced that he would seek the nomination.

"I am convinced," Congressman Ford said, "that Vice-President Humphrey is the best-qualified candidate that the Democratic Party has to offer. He has served his country for many years in a variety of positions, and has an unequalled record of governmental service."

"In addition, Vice-President Humphrey is the one candidate who would be able to re-unite divergent forces both in the Democratic Party

and in the nation as a whole. He has the respect and confidence of millions of Americans, representing a cross-section of the nation — labor, business, veterans, minority groups, educators and many others."

"I have had the privilege of meeting with and working with Mr. Humphrey on a number of occasions since my election to Congress, and I have been consistently impressed with his tremendous knowledge of government, and with his keen ability to grasp the essence of a problem."

"He also has a rare facility for understanding people and their problems. He genuinely likes people, and can talk to them with compassion and sincerity."

Congressman Ford recalled that a Washington

columnist recently stated that if the next President could be chosen by the 1,000 best-informed persons in the nation's capital, Mr. Humphrey would be the overwhelming favorite.

"I certainly share this sentiment," Congressman Ford declared. "I am delighted that Mr. Humphrey has entered the race, and I am proud to go on record as supporting his candidacy."

Mr. Humphrey, born 56 years ago in South Dakota, was graduated from the Denver College of Pharmacy, the University of Minnesota with an A.B. degree (Phi Beta Kappa), and from the University of Louisiana with an M.A. degree.

He was elected mayor of Minneapolis in 1945 and 1947, was elected to the United States Senate in 1948, and re-elected in 1954 and 1960.

Class Visits Submarine

ROMULUS -- On May 1, Mr. James Marshall's fourth grade class took a field trip to the U.S.S. Piper Submarine, which is docked at the Brodhead Naval Armory Dock, 7800 E. Jefferson Avenue, Detroit.

Our teacher and the following mothers went with us: Mrs. Adkins, Mrs. Colbert, Mrs. Furman, Mrs. Harris, Mrs. Jager, Mrs. Porter, Mrs. Stout, and Mrs. Woodard.

The students, teacher, and parents loaded the bus at 9:30 a.m. When they got there, they had to go through a "hole" to get into the submarine. When they entered, a sailor, by the name of First Class Seaman Wagner, told them about the ship and its history.

The submarine was launched at Portsmouth, New Hampshire, in October, 1945, it was ordered back to New London, Connecticut. In June, 1951, Piper went underwater. In July, 1967, the U.S.S. Piper came to Detroit.

Everyone enjoyed their trip and found it to be very interesting. They returned to school about 2:00 p.m.

Romney Names May 'Project HOPE Month'

DETROIT — Gov. George Romney recently named May "Project HOPE Month."

A Proclamation from the Governor stated: "We must convince citizens of other nations that our ideals encompass the aspirations of all men everywhere. . . . The hospital ship S.S. HOPE has worked toward building these bonds by bringing American concern and compassion to millions of people in newly-developed countries. . . ."

The hospital ship S.S. HOPE recently arrived in Colombo, Ceylon marks HOPE's first return to Asia since her maiden voyage in 1960, and the eighth country visited by the life-giving hospital ship.

New Draft Bill Would Create More Certainty

WASHINGTON — Senator Philip A. Hart this week introduced a new military draft bill that would make young men draft-vulnerable for just one year and allow them some choice as to when the year would begin.

He said the bill would relieve the current pressure on graduate schools and put a greater degree of certainty into each potential draftee's life.

Under Hart's plan, most draftees would be 19-year-olds, thus reversing current draft policy that takes eligible 25-year-olds first and works backwards.

The bill would place all young men in a "prime pool" when they turn 19.

"First of all, younger men make better soldiers for many reasons. They are more adaptable and less settled in careers. So it simply makes good sense to draw the bulk of our army from their ranks."

"On one hand, we should be reluctant to interrupt schooling and on the other hand we shouldn't allow men to escape service simply because they are rich enough to go to college."

"On one hand we want to keep the system flexible while on the other hand we have a real obligation to allow every young man some point in his life where he can begin a career in reasonable certainty that it won't be interrupted."

Hart said that he generally supported the more extensive draft overhaul recommended by Senator Kennedy (D-Mass.) who, he said, "must be recognized as a leading expert."

"My proposal," Hart said, "is a more modest one that can perhaps be pushed ahead rapidly to meet some very pressing problems."

ROMULUS TOWNSHIP BOARD MINUTES

MINUTES OF THE SPECIAL
TOWNSHIP BOARD MEETING,
HELD ON APRIL 30, 1968

AGENDA

1. Satterlee Case
 2. Appeal Board
 3. Adjournment
- Meeting called to order at 7:08 p.m.

Present: Bizek, Perry, Wal- lis, Pennington, Raspberry, Wegienka, Stewart. Absent: none. Approximately fifteen min- utes of discussion was held on the grade level and re-opening of the Satterlee Dump. A motion was then introduced by Mr. Pen- nington, supported by Mr. Rasp- berry, that the Township Board does not concur with the rec- ommendation of the Appeal Board, and that our legal staff be instructed to prepare them- selves to defend the Township in court, if necessary.

Forty-five more minutes of discussion ensued, and Mr. Pennington re-worded his mo- tion, and it was seconded by Raspberry, to read as follows: This Board does not concur with the recommendation of the Ap- peal Board, in granting Mr. Satterlee a Land Fill Permit. Based on Romulus Township Ordinance #61-44-12, Sec. 23.06, this Board over rules the

decision of the Appeal Board and rescinds the Land Fill Permit granted Satterlee.

ROLL CALL VOTE: Perry: yes; Pennington; yes; Raspber- ry; yes; Wegienka; yes; Wal- lis; yes; Bizek; yes; Stewart: as Chairman of the Board of Appeals, voted nay. Motion car- ried.

Motion by Raspberry, sup- ported by Pennington, to ad- journ. Motion carried unani- mously.

Meeting adjourned at 8:12 P.M.

Respectfully submitted,
ALFRED J. PERRY, Clerk

Tigers Set Camera Day

PLYMOUTH -- Amateur pho- tographers and Tiger baseball fans are making plans to attend the Fourth Annual "Camera Day," scheduled for Saturday, June 1, at Detroit Tiger Stad- ium.

Sponsored jointly by Gold Seal Photo Service, Inc., of Ply- mouth, Michigan and the Detroit Baseball Club, this once-a-year event provides a rare oppor- tunity for camera enthusiasts to go out on the playing field to take closeup snapshots of their favorite players.

EACH YEAR thousands of fans flock to Tiger Stadium for the pre-game picture-taking ses- sion, and the opportunity to see all the Tiger players at close range. Detroit's "Camera Day" is recognized as one of the largest in the country.

All snapshots taken at "Cam- era Day" may be submitted in the Gold Seal-Detroit Tigers photo contest, with separate prizes for both youngsters and adults.

First prize in the adult con- test is a 12 inch television set. The grand prize for youngsters is a 3-speed racing bicycle.

Complete details on "Camera Day" will be available this month at Contest Information Centers in drugstores and cam- era shops through Southern Michigan and Northern Ohio.

Celebrating Birthday

WAYNE -- The United States Women's Army Corps (WAC) celebrates the 28th anniversary of its founding during the month of May, announced Sergeant Gerald J. Rinke of the U.S. Army recruiting station, Wayne.

With the anniversary month, the U.S. Army Recruiting Serv- ice has already announced a special enlistment plan for fu- ture WAC's who now reside in the state of Michigan.

The plan, known as the "All Michigan Women's Army Corps Company," entitles Michigan girls to be sworn into the army on June 29, then fly directly to Fort McClellan, Alabama, where they will live, train and have fun together while attend- ing basic training.

"The girls receive a written guarantee in the course of their

choice," said Sergeant Rinke; this includes such fields of study as medical technology, food service, dental, medical, per- sonnel or public relations to mention a few."

"The Women's Army Corps offers a proud and dignified history to go with the exciting present," Sergeant Rinke went on. "For example, the first member and director of the WAC's was Colonel Oveta Culp Hobby, who later became Pres- ident Eisenhower's Secretary of Health, Education and Wel- fare."

Today's women enlistees will fill chosen positions in the con- tinental United States and a number of foreign countries. "Educational opportunities, in- cluding the G. I. Bill, offer a bright future for any young lady," Sergeant Rinke con- cluded.

TOWNSHIP OF ROMULUS RESOLUTION NO. 68-9

WHEREAS, the Township Board of the Township of Romulus has read and reviewed House Bill #4179; a bill to amend sections 641a and 642a of Act 269 of Public Acts of 1955; and,

WHEREAS, the Township Board is of the con- sidered opinion that the enactment of House Bill #4179 will unduly and unfairly impose upon the Township supervisors and treasurers a burden of assessment and collection of taxes no portion of which can be used to defray the expenses of such assessment and collection or to defray the expense of Township government;

NOW, THEREFORE, BE IT RESOLVED, that the Township Board of the Township of Romulus hereby registers its disapproval of the said House Bill #4179 for the reasons aforesaid; and

BE IT FURTHER RESOLVED, that the Town- ship Clerk be directed to forward a copy of this Resolution to appropriate legislators and Town- ship officials.

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a resolution of the Township Board of Romulus Township duly adopted at a regular meeting, held on April 1, 1968, in the Township Hall.

ARTICLES OF INCORPORATION OF TOWNSHIP OF ROMULUS BUILDING AUTHORITY

These Articles of Incorporation of the Township of Romulus Building Authority are adopted by the incorporating unit for the purpose of creating an Authority under the provisions of Act 31 of the Public Acts of Michigan of 1948 (First Extra Session), as amended.

ARTICLE I

The name of this corporation is the Township of Romulus Building Authority.

ARTICLE II

The incorporating unit creating this Authority is the Township of Romulus, Michigan.

ARTICLE III

This Authority is incorporated for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and/or maintaining a building or buildings, automobile parking lots or structures thereon and the necessary site or sites therefor for the use of the Township of Romulus.

ARTICLE IV

POWERS AND DUTIES:

Section 1. The Authority shall be a body corporate with power to sue and be sued in any court of the State of Michigan.

Section 2. The Authority and the incorporating unit shall have the power to enter into a contract or contracts whereby the Authority will acquire property necessary to accomplish the purposes of this incorporation, and as contemplated by the terms of the Enabling Act, and to lease said property to the incorporating unit for a period of not to exceed forty (40) years.

Section 3. The Authority shall have the power to increase the consideration specified in any contract or lease with the incorporating unit whenever during the term of the lease or leases an increase of rent is necessary to provide funds to meet its obligations.

Section 4. For the purpose of accomplishing the objects of its incorporation, the Authority may acquire property by purchase, construction, lease, gift, devise or condemnation, and for the purpose of condemnation it may proceed under the provisions of Act No. 149 of the Public Acts of 1911, as now or hereafter amended, or any other appropriate statute.

Section 5. For the purpose of acquiring, improving and/or enlarging any such building or buildings, automobile parking lots or structures thereon and the necessary site or sites therefor, and for furnishing and equipping the same, the Authority may issue self-liquidating revenue bonds in accordance with and subject to the provisions of Act No. 94 of the Public Acts of 1933, as now or hereafter amended; provided, however, that such bonds shall be payable solely from the revenues of such property, which revenues shall be deemed to include payments made under any lease or other contract for the use of such property; and, provided further that no such bonds shall be issued unless the property whose revenues are pledged has been leased by the Authority for a period extending beyond the last maturity date of the bonds. For the purpose of Section 33 of said Act, the limits of the Authority shall be deemed to coincide with those of the Township of Romulus. If a sufficient referendum petition shall be filed as provided in said Section requesting a referendum upon the question of the issuance of revenue bonds by the Authority, then such question may be submitted by the Commission of the Authority at any general or special election to be held in the Township.

Section 6. When all bonds for any particular improvements issued pursuant to the provisions of the Enabling Act under which the Authority is incorporated shall have been retired, the Authority may convey title to the property acquired to the incorporating unit.

Section 7. All property owned by the Authority shall be exempt from taxation by the State or any taxing unit therein.

Section 8. The Authority shall possess all the powers necessary to carry out the purposes of its incorporation, including the incidental powers necessary thereto. The powers herein granted shall be in addition to those granted by any statute or charter, or any future statute or amendment thereto, and the enumeration of any power either in these Articles of Incorporation or in the Enabling Act shall not be construed as a limitation upon the general powers of this Authority.

Section 9. The term of this corporation and Authority shall be fifty (50) years.

ARTICLE V.

GOVERNING BODY-OFFICERS:

Section 1. The Authority shall be directed and governed by a Board of Commissioners of three (3) members known as the "Commission," each to be appointed by the Township of Romulus Township Board. No member of the legislative body of the incorporating unit shall be eligible for membership or appointment to this Authority.

Section 2. The terms of the Commissioners constituting first Commission shall be for the first Commissioner three (3) years, the second Commissioner two (2) years, the third Commissioner one (1) year thereafter succeeding Commissioners shall serve for three (3) year terms; Provided, however, that initial terms of office shall commence upon acceptance of appointment and shall terminate on the 30th day of June following the specified term, and terms of succeeding Commissioners shall commence on July 1st.

Section 3. The Commission shall designate one of its members as chairman, one of its members as secretary, and one of its members as treasurer, each to be designated for such term in office as may be fixed by their bylaws.

Section 4. The Commission shall adopt and may amend by laws and rules of procedure in accordance with the provisions of the Enabling Act and provide therein for regular meetings of the Commission in accordance with the terms and provisions of the Enabling Act.

Section 5. The Commissioner shall adopt a corporate seal.

Section 6. The chairman shall preside at meetings of the Commission and may sign and execute all authorized bonds, contracts, checks, and other obligations in the name of the Authority when so authorized by the Commission. He shall do and perform such other duties as may be fixed by the bylaws and from time to time assigned to him by the Commission.

Section 7. The secretary shall keep the minutes of all meetings of the Commission, and of all committees thereof, in books provided for that purpose. He shall attend to the giving, serving and receiving of all notices or process of or against the Authority. He may sign with the chairman in the name of the Authority all contracts authorized by the Commission, and when so ordered, shall affix the seal of the Authority thereto. He shall have charge of all books and records, which shall at all reasonable times be open to inspection and examination by the Commission or any member and in general perform all the duties incident to this office. The secretary shall preside at meetings of the Commission in the absence of the chairman.

Section 8. The treasurer shall have custody of all the funds and securities of the Authority which may come into his hands or possession. When necessary or proper, he shall endorse in behalf of the Authority for collection, checks, notes and other obligations. He shall deposit them to the credit of the Authority in a designated bank or depository. He shall sign all receipts and vouchers for payments made to the Authority. He shall jointly with such other officer as may be designated by the Commission sign all checks, bonds, promissory notes or other obligations of the Authority when so ordered by the Commission. He shall render a statement of his cash accounts when required by the Commission. He shall enter regularly in the books of the Authority to be kept by him for this purpose full and accurate accounts of all moneys received and paid by him on account of the Authority, and shall at all reasonable times exhibit his books and accounts to the Township Board, Commission or any member of the Board or Commission when so required. He shall perform all acts incidental to the position of treasurer fixed by the bylaws and as assigned to him from time to time by the Commission. He shall be bonded for the faithful discharge of his duties as treasurer, the premium to be paid by the Authority.

Section 9. Annual compensation, if any, for the members of the Commission shall be fixed by the Commission when approved by the Township of Romulus Board.

Section 10. Vacancies occurring in the office of this Commission shall be filled in the same way that the original appointment is made, said appointment to be for the period of the unexpired term.

Section 11. The Commission or any of its members may be removed from office for cause by an affirmative majority vote of the legislative body of the incorporating unit.

Section 12. The books and records of the Authority and of the Commission, officers and agents thereof, shall be open to inspection and audit by the incorporating unit at all reasonable times. The Authority shall submit an annual report to the incorporating unit.

Section 13. The Commission shall have the authority to enter into contracts for the procurement of goods or services by the Authority subject to budget limitations; Provided, however, that any and all contracts for professional services shall be subject to the prior approval of the Township Board.

ARTICLE VI.

Section 1. The County Clerk for the County of Wayne shall cause a copy of these Articles of Incorporation to be published once in the Enterprise Roman, Romulus, Michigan, being a newspaper of general circulation within the County of Wayne and Township of Romulus, as provided by the Enabling Act.

ARTICLE VII.

AMENDMENTS:

Section 1. Amendments may be made to these Articles of Incorporation as provided in Section 10 of Act 31, of the Michigan Public Acts of 1948 (Extra Session), as now or hereafter amended.

ARTICLE VIII.

REGISTERED OFFICE:

Section 1. Location of Registered Office and post office address of this Authority is:

Township Clerk - Township Hall
Township of Romulus, Michigan

ARTICLE IX.

Section 1. These Articles of Incorporation shall become effective and be in full force and effect on their adoption as provided in Section 4 of the Enabling Act, being Act 31 of the Public Acts of Michigan, Extra Session of 1948.

IN WITNESS WHEREOF, the incorporating unit has adopted and authorized to be executed these Articles of Incorporation on behalf of the Township of Romulus, a public corporation of the State of Michigan, by its Supervisor and Township Clerk.

AROUND HOME AND GARDEN

Conservation Chief Issues Alert On Using Commercial Chemicals

LANSING -- "Use the safest pesticides available and be sure to read and heed the labels on their containers."

That is the pointed appeal of Conservation Director Ralph A. MacMullan to Michigan householders who are planning to apply commercial chemicals this spring to control pest and weed problems around their homes and gardens.

He particularly urges residents to avoid DDT and some other "hard" or persistent pesticides which have a serious long-term impact on wildlife, soil organisms, and water purity. Others on the Conservation Department's "black list"

include Dieldrin, Aldrin, Endrin, Chlordane, Lindane, and Heptachlor.

MacMullan stresses that even with safer, shorter-lived pesticides, householders can't be too careful. "All pesticides are poisons," he explains, "and they must be used with care and all directions on their labels should be followed to a 'T'."

BEFORE THE U. S. Department of Agriculture allows a pesticide to be registered for sale, its manufacturer must show proof that the chemical, used at dosages recommended on the label, will kill the pests listed.

On this point, MacMullan notes: "If the label says to use one tablespoon in a gallon of water, you shouldn't use two. Excessive amounts will be wasteful and could cause added dangers to other organisms. On the other hand, under-dosages may not do the job."

Michigan's Conservation Director sums up his "read it and heed it" warning this way: "Safety precautions are listed on each label for a purpose. You should pay strict attention to them -- for your own safety, for the good of others, and for the safety of non-target birds, fish, and animals."

The Conservation Department, hoping to turn the tide on pesticide pollution and spearhead steps toward a cleaner environment, offers the following list of some safer pesticides and herbicides for recommended home and garden use:

● METHOXYCHLOR -- for controlling houseflies, lice, ticks, leaf hoppers, Japanese beetles, army worms, codling moths, spittlebugs, scale (crawlers), and many others.

● SEVIN (also called CARBARYL) -- for controlling aphids, codling moths, scales,

leaf hoppers, army worms, spittlebugs, thrips, grasshoppers, stink bugs, cucumber beetles, and many others, including ticks, fleas, and mites on dogs and cats.

● MALATHION -- for controlling aphids, mites, scales, flies, leaf miners, loopers, army worms, grasshoppers, lice, ticks, ants, spiders, mosquitoes, and many others.

● PYRETHRIN -- for controlling mosquitoes, flies, aphids, mites, beetles, loopers, lice, and many others.

● ROTENONE -- for controlling beetles, weevils, slugs, mosquitoes, thrips, fleas, lice, flies, and many others.

● NALED or DIBROM -- for controlling loopers, mites, aphids, houseflies, army worms, leaf miners, cutworms, fruit flies, thrips, mosquitoes, gnats, grasshoppers, and many others.

● 2, 4-D -- a commonly used, safe herbicide which will handle most weed problems. Check the label to make sure the chemical is recommended for your weed situation.

● DALAPON -- a herbicide used to kill grasses.

● 2,4,5-T -- for eradicating brush and other woody plants. This is a more powerful herbicide than some of the others and should be carefully used according to the label instructions. Keep away from streams and other surface water.

While there are other safe chemicals for special uses, those listed here should cover many of the householder's needs around the home and garden.

Some of the other "soft" pesticides are extremely dangerous to use and should never be applied except by trained specialists who use special equipment. These include parathion, TEPP, thimet, and temik. A drop of temik in the eye could be fatal.

Seminar Probes 'Medical Aspects of Prep Sports'

High School coaches, trainers, team physicians and others interested in the health of the athlete will participate in the Third Annual Conference on Medical Aspects of High School Sports, in Detroit May 8.

The conference will be sponsored by the Michigan State Medical Society, with cooperation of the University Center for Adult Education (Wayne State University-Eastern Michigan University).

The program, which will begin with registration at 9:30, will be held this year at the Rackham Building at the corner of Woodward and Farnsworth in Detroit, near the art gallery and library. There is abundant underground parking.

A charge of \$3.50 will cover the cost of the luncheon and the entire conference. An appeal is made for interested persons to send in the registration blank so luncheon arrangements can be made.

Headline speakers will be the team physicians for the Notre Dame and the Ohio State University.

Chairmen for the conference is James S. Feurig, M.D., team physician for the Michigan State Spartans, and chairman of the medical society's Committee on the Medical Aspects of Organized Athletics.

The program was held the past two years at the University of Michigan with several hundred coaches, physicians, trainers. This year the program was shifted to Detroit.

Heart Forum

DETROIT -- Tickets are still available for the annual free Heart Forum scheduled for Friday (May 10) at 8:15 p.m. in Ford Auditorium.

The free tickets can be picked up in the lobby of the Detroit Free Press Building, 321 W. Lafayette, or at Ford Auditorium the night of the event.

The forum is co-sponsored by the Free Press and the Michigan Heart Association. Four famous heart specialists will speak at the forum.

People attending the forum also will have a chance to play "Risko", a game which gives each player an estimate of his danger of suffering a heart attack.

Bernie!

Meet me in The Imagination Shop at Gates Furniture tomorrow night at 7 P.M. We'll have two hours to browse around all those exciting gifts. I'm sure we'll find something exactly right for your mother. And Bernie, the prices, you can't beat them! Deborah.

SLIDING HOME-Hitting the dirt to get by catcher Gary Gentle, Romulus' Rodney Pennington scores one of his team's four runs, but the Eagles couldn't stop the hard-hitting Tigers that day as Belleville blasted 13 hits and collected eight runs to win the nonleague game.

LOSES BY ONE POINT

Huron Nipped at Wires

For the want of the nail, the shoe was lost, someone wrote, and continued to write that the horse and then the battle was lost. And for the want of one point, Huron dropped a dual meet decision to Lincoln Consolidated last week.

But coach Tom Grange isn't ready to admit the battle or the war is over. It's just begun. "These are the kind of boys you enjoy working with," he said. "And we're going to win more meets because they

are working hard." The Chiefs managed to pick up five first places with Eddie Smith winning both the dashes. Running against a strong wind, Smith was clocked in 10.7 for the 100 and he crossed the 220 finish line in 24 flat.

Grange's speed relay team of Johnny Johnson, Ollie Swim, Smith and Richard Brown was first with a 1:41.5 while Howard Franklin earned the half-mile on a 2:16.2 performance and Brown the quarter in 55.2.

Teammate Randy Clark was second in 55.7.

Huron's mile relay team was disqualified on a controversial baton exchange which eventually meant the meet.

Mason, ruler of the Lake Shore Conference, continued its domination as its reign nears an end. The defending champs whipped the Chiefs 72-46 with Smith chipping in 16-1/4 points with a triple victory.

Smith was first in the long-jump with a leap of 19 feet, 9 1/2 inches and also placed first in both dashes. He won the 100 with a 10.9 clocking and the 220 in 24.5.

Larry Matlock cleared 10 feet, 1 inch in the pole vault to take that event.

Grange's speed relay team of Johnson, Swim, Smith and Brown ran a 1:39 and Matlock, Ernie Demyan, Therle Dregan-sky and Randy Clark finished the mile relay in the winning time of 3:51.6.

Huron will run after its first conference win today (Wednesday) when the Chiefs travel to Carlson. It'll be the last chance, this season, to win a league track meet.

The Lake Shore will be dissolved after the spring session.

Romulus Holds Softball Meet

An organizational meeting for softball teams will be held at Romulus Junior High diamond on Olive street, at 7 p.m. on Wednesday, May 15. The proposed league is for adults.

For further information contact Jerry Nault at the Romulus Recreation Department.

Belleville Hosts Regional Meet

35 CLASS A AND B TEAMS TO COMPETE

A field of 35 teams, representing some 17 Class A and Class B high schools in the area, will convene at Belleville on Saturday, May 18, to fight it out for the Regional Track Crown and the right to advance to the State Finals which will be held the following week.

Romulus '9' on Top of the Twin-Valley

With four consecutive victories in the Twin-Valley Conference, Romulus and coach Lowell Johnson cleared the turn and are heading down the stretch leading the pack in the race for the league baseball crown.

The Eagles knocked off previously undefeated Ecorse 4-1 behind Bob Rithaler's four-hitter, then disposed of Hamtramck 2-0 with Rithaler tossing a 7-hitter at the Cosmos.

Romulus, however, did suffer an 8-4 nonleague loss to neighboring Belleville.

Rithaler, in chalking up his fourth personal win in as many trips to the mound, was in control all the way, hurling four scoreless innings before Ecorse got to him for one run in the fifth.

The Eagles supported their pitcher with two runs in the first, another in the second and third, to hand Bruce Vida his first defeat of the year.

Vida struck out seven and walked two while giving up seven hits while his rival fanned nine and walked one, allowing four hits.

Ray Horn ignited the rally with a single, a pair of stolen bases, and coming home on Paul Sees-ted's single. Tony Gray kept

the rally alive when he singled and with men on first and second, Rithaler sacrificed. Tom Bock then walked to bring up Charlie Stewart who worked the Ecorse pitcher for a walk and a forced-in run.

Gray's double with Horn aboard accounted for the second inning tally while a single by Block, a double by Stewart and Greg Brothers' sacrifice fly scored the final Romulus run of the ball game.

The Eagles broke a sixth-inning deadlock against Hamtramck by scoring two runs in the bottom of the sixth. Horn and Gray doubled and Rithaler aided his own cause with a single to score the last run.

Horn had a perfect day at the plate getting a double and single in two trips while Rithaler socked a pair of singles in three trips.

Rouge will get a crack at the unbeaten Eagle squad when the two clash on Thursday at the Panthers' field.

The cottontail rabbit's first litter is born early in spring and there are four to seven young in each litter. A female cottontail may produce three or four litters in a season.

"There'll be at least 17 Class A schools and 18 Class B schools involved in the competition and I feel being host to so many outstanding athletes will help lift our own program."

Belleville's all-weather, eight-lane track, said Hiden-

felter, is capable of handling such a tourney.

Among Class A team which will compete, aside from the host, are Ann Arbor, Ann Arbor Huron, Garden City East and West, Livonia Bentley, Franklin and Stevenson, Howell, Milford, Monroe, Plymouth,

Romulus, Wayne, John Glenn and Ypsilanti.

The preliminaries will begin at 10 a.m. with the finals set for 2:30 p.m. Those who finish in the top three berths in the 12 individual events will compete in the State Finals to be held at the University of Michigan on May 25th.

First and second place finishers and those which have qualifying times in the relays will also advance to the State Meet.

The teams finishing first in Class A and Class B will be awarded Regional trophies.

Street 1st at Albion

Nolan Street, one of Romulus' sparkplugs in the basketball circuit, is proving valuable in track. The senior cager cleared 6 foot, 3 inches to walk off with first place honors at the Ecorse Relays last week.

Teammate Robert Harris placed third with a 6 feet, 2 inches' in that event.

Coach Ed Baum's boys also came away with three other third places as Warren Boman leaped 20 feet, 10 inches in the long jump; Larry Smith ran a 15 even for the high hurdles and the shuttle relay foursome of Bobby Jones, Nate Humphrey, Ralph Logan and Smith finished in 61 seconds.

Romulus' attempt for its second straight Twin Valley Conference track title took a turn into the loss column last week as Ecorse tripped up the Eagles by ten points, 64-54.

Coach Baum received double victories from two of his athletes as they managed six first places against Ecorse's eight.

Larry Smith and Larry Thomas both wound up with two victories as Thomas won the 100 yard dash in 10 seconds and leaped 22 feet, 5 1/2 inches in the broad jump.

Smith the best high and low hurdles' man in the meet. He was clocked in 14.8 for the highs and 19.9 for the lows.

Nate Williams again excelled in the shot put circle, hurling the shot 49 feet, 5 inches while Nolan Street took the high jump competition when he finished up with a 5 feet, 10 inches for the day.

ON ITS WAY-Romulus' Rick Paglio, who has an unmarred 2-0 Twin Valley record, found the going tough against non-conference foe Belleville which tagged the Eagle hurler for 13 hits and a 8-4 loss last week.

TIGERS LOSE 2nd TO PLYMOUTH, 5-1

Belleville pulled out of its nose-dive after dropping a league game to Allen Park to climb over Trenton, Taylor Center and Romulus only to "black-out" against Plymouth, which handed coach Vitold Kam-

inski's Tigers a 5-1 loss. That was Belleville's second setback in three league starts and if the Tigers don't snap out of it soon, they can kiss the Suburban Six Conference baseball title, "Good-

Bye." Ron Gillespie threw a two-hitter at the Tigers in Plymouth's 5-1 victory. Gary Gentle spoiled Gillespie's bid for a no-hitter when he connected for a single and double.

Wilson Boone, who started on the mound and went to the fourth when Dick Wenzel took over the pitching duties, was tagged for the loss. It was his second of the current campaign. Belleville struck for four runs in the fifth inning and junior Bruce Bara hurled a one-hitter to give the Tigers a

4-0 win over league rivals, Trenton. Bara found 10 strike-out victims and walked one in his first conference victory of the season.

Wayne Suttles collected a pair of doubles and a single off of losing pitcher Ken Mierkiewicz while Bara helped himself to two singles and RBI in his three appearances at the plate. In that decisive fifth, Norm Harrington got things going for the Tigers when he made it to first on an error, and after Jim Foster popped up, Bara singled, John Casidlo also came through with a base hit.

Then Gentle uncorked his first home run of the season with one man aboard. Suttles doubled in the final run while Ron Music singled, Suttles held at third.

Belleville rattled off 13 hits in turning back Romulus and Rick Paglio, 8-4, last week. Paglio, who stayed on till the end, whiffed five and walked two in his second loss of the year.

Wenzel teamed up with Wilson Boone and John Yocum to hurl a three-hitter. Seestadt, Gray and Rodney Pennington accounted for the Romulus hits while Harrington bagged a double and a pair of singles for three times and teammates Bill Coffman, Suttles each had two for three while Bara had a couple of

doubles in his three for a fine day.

Belleville also erased non-conference foe Taylor Center last week with Bill Lambert on the mound for four innings, getting assistance from Yocum and Wenzel.

Gentle connected for three hits, including a double, while Suttles had a two for four and Coffman socked one hit and carved out three runs batted in.

Belleville has another busy week with Ypsilanti on its non-league menu for today (at home) while Livonia will take on the Tigers Thursday as the conference scramble continues. A listless Wayne will be at Belleville on Friday.

Hosts Meet

BELLEVILLE -- The Belleville National League hosted District No. Three Meeting at the Belleville High School last Monday night (May 6) in the school's cafeteria.

The special guest for the evening was Ralph Gray, northern region director. He presented color slides and a movie entitled "Baseball is the Name of the Game".

In the movie were shots of the 1967 Little League World Series at Williamsport, and baseball tips from some of the major league stars.

No Revenge for Canines

Bent on revenge, Robichaud's netmen didn't quite make it as Romulus, an also ran on the courts last year, turned back coach Dave Pickett's Canines for the second time this season, 4-3.

The Eagles, it can now be said, have jelled into a team which must be contended with. Coach Zane Kuryliw's boys went to work as Andy Kozarian turned back Bob Bertin in the No. 1 singles in a pair of

sets of 6-4 and 8-6 and Gary Selle went the distance with Dave McManaman to win two sets 6-4 and 6-2 after losing the opening set 6-4.

That was about all the Eagles could do in the singles as Ted Gilliland fell 1-6, 6-4, 4-6 to No. 3 Robichaud stick Dan Libby and Woody Barker surrendered to Dan Hutchens in another thriller 8-6, 2-6, and 6-4.

The decisive blow was the doubles. The Romulus team was able to emerge with two of three decisions to tuck away their fourth victory of the season.

The Canines grabbed the first doubles with Henry Logan teaming up with Jim Corbin to drive Larry Schatilo and Billy Roseburr to 7-6, 6-3 defeat while partners Peter Landini and Dennis Wessels came up with a 6-3, 2-6, and 6-3 win of Gary Cullum and Dave McConkey.

Robichaud's No. 3 doubles fought it out with Howard Meyers and Pat Gaddy yielding to the Canines' duo of Billy Lim and Mike Shinville 6-3 and 6-2.

Coach Kuryliw and his Eagles made an unsuccessful Twin Valley Conference debut last week, falling to Ecorse, 4-3, but the Eagles didn't wait long to win their rookie coach a league match.

They thrashed River Rouge 5-2.

Romulus dominated the singles against Ecorse with Kozarian Gary Selle and Barker winning over their rivals while against the Panthers Kozarian and Selle picked up two of the team's five points and the Eagles swept the doubles.

High School Track Ratings in Area

Compiled by Cherry Hill head track coach Joe Grasley, the Associated Newspapers will carry weekly performances of area high school trackmen this season.

At the end of the season, the ANP will honor our top athletes by selecting an "All-Area" track team and coach of the Year.

Coaches who have trackmen with outstanding clockings or distances are urged to report them to coach Grasley at 728-8644.

It's 0-10 for Huron in Baseball

Huron's pitching rotation crumbled as coach Ron Smith and his Chiefs took a spin into the loss circles for the tenth time this season. The Chiefs dropped three more over the past week.

Tagging Huron for 32 runs in three games, Monroe Jefferson blasted the Chiefs 11-1 while Mason routed them 11-2 in the opening games of the Lake Shore Conference.

John Glenn won a 10-4 decision over coach Smith's boys in a nonleague affair Friday. Jim Inman gave up six runs in three innings against Monroe to take the loss. He was lifted for Craig Adaline who also had difficulty stopping his rivals. They tagged him for five runs.

Huron blew a 2-0 second inning lead as Mason rallied to a 11-2 victory. The Chiefs scored on a pair of infield hits by

Al Michling and Ron Inman who scored after Jerry Wells singled up the middle.

Adaline was handed the loss, being relieved in that second by Jerry Wells. Mason collected nine hits in the rout with Adaline aiding his own downfall when he issued for base on balls and hit on player in that decisive second inning.

Glenn came up with ten runs against the Chiefs to stroll off with an easy 10-4 victory. Inman wound up the losing pitcher. Coach Smith hopes to have starting pitcher Dan Cox back in the rotation by the end of the week. Cox took ill and has been out for the past seven days.

Karate Winners Listed

WESTLAND -- The first Midwest Open National Karate Tournament was held at John Glenn High School. There were over 200 contestants and 800 spectators.

The tournament was deemed a success considering it was the first large Karate tourney to be held in the Detroit area.

Jim Martin, tournament director and head instructor of the Westland Karate Club, which has been meeting at John Glenn High School for only six months, took over ten trophies in the event.

Kitty Burdick of Belleville took fourth place women's free fighting, third place in kata and also was awarded the sportsman's trophy.

Other trophy winners in the Westland club were: Don McKenzie, first place Brown Belt, age thirty and over and third place in Brown Belt under 30; Barbara Hear took third place women's free fighting; Louis Bors took first place Green Belt and first place breaking in Brown Belt and under; Gordon Reno took second in Break-in; Mark Cunningham took second place in 12 and under in free-fighting.

In overall Black Belt divisions Ernest Lieb, from Muskegon director of the A.K.A. took first place champion and first place in lightweight; Bill Hind of Canada took second place and Bill Wallace of Indiana took third.

Lieb also took best foot technique in breaking - with Nick Cierlo, who came all the way from Rhode Island, won best hand technique in breaking four two-inch cement slabs.

Martin reported the club in Westland is taking in new members. The class meets Tuesday and Thursday from 7:30 to 9:30 p.m. in the gym at John Glenn High School.

Also there is a seven week self defense class that is starting this Wednesday April 8, from 7:30 to 9:30 p.m. at John Glenn.

The fee for the class is \$7.50. Anyone can also join the regular club for eleven dollars a month. Visitors are welcome to come watch.

Hall Triple Winner in Trenton Meet

Belleville thincads edged their way to seven first places against Trenton but were walloped by Redford Union in losing both Suburban Six Conference Track starts last week.

With Tony Hall providing the Tigers with a triple victory, coach Marland Howard's team found itself on the short-end of a 68-52 decisive with Trenton in the opener, and on the tall-end of a 108-10 verdict to R.U.

Hall cleared 5 feet, 8 inches in the high jump and ran a 10.8 for the 100 yard dash and came up with a 24.1 to take all three events. Mike Fant dominated the mile run with a 2:04 finish while Larry Merritt's 10 foot pole vault performance earned him a first place in that event.

Howard's mile relay team of Alan Fant, Joe Brooks, Don Stabenow and Mike Fant finished in the winning time of 3:44 while the speed relay foursome of Mark Harden, Larry Merritt, Stabenow and Hall was clocked in 1:41.2.

In that Redford Union, Fant saved his team from a shutout from first places when he bettered his time at 2:01.7 to win the half-mile.

SPORTS MERIDIAN

league with only four members - Wayne Memorial, Dearborn, Ypsilanti, and Edsel Ford.

And that will probably mean realignment for those schools, who only reorganized the league last year.

"It's a little depressing," said Wayne's baseball coach. "You start building up a tradition and bang in one stroke that tradition crumbles. I think that the time has come when a serious study in alignment and realignment of high school teams should be made."

"Some schools, for example, are better in some sports and weak in others and I feel eventually we should align schools according to the talent they have in respective sports, letting the best baseball teams compete amongst themselves, the best swimmers, cage teams etc," said the Wayne coach.

"And, when 1970 comes along, when Melvindale is to leave the Sauk Trail."

"And I hope we solve some of those problems before 1970 when Melvindale is due to leave the Sauk Trail," added Green.

1970? Gee, before long it'll be 1980 and then "Big Brother" will handle all of those problems - so why worry!

Children's Village Sets Open House

BELLEVILLE -- An Open House will be held at Children's Village, located at 26645 West Six Mile Road, between Inkster and Beech-Daly Roads, May 19, Rev. Allen B. Rice II, pastor of the First Methodist Church, Belleville, announced.

The Open House will be held during the hours of 1 to 5 p.m. There will be a special program in the Children's Chapel, tour and refreshments. No reservations are needed.

Heldt Featured On Organ

WAYNE - Guests are expected to arrive from Toledo, Ohio, and Ontario, Canada, Saturday, May 11, on chartered buses to hear Wayne George Heldt, 16, give a recital on the Orbits Wurlitzer Theatre Pipe Organ at the Senate Theatre, the home of the Detroit Organ Club.

George, who is the son of Mr. and Mrs. Arnold Heldt, 4827 Hubbard, Wayne, started taking organ lessons 10 years ago. He achieved such proficiency that three years ago he was featured at the Canadian National Exhibition in Toronto.

At the Saturday recital, he plans to play

Toccata and Fuge in D Minor by Johann Sebastian Bach. He also has an arrangement in which he plays three songs at once.

The second half of the program, he will be assisted by the Sophistic Trio and Combo of Ypsilanti, of which he is a member.

George has been guest organist at the Redford Theatre, playing between features. He gives private lessons on piano and organ, and is a playing member of the American Theatre Organ Enthusiasts and also the Detroit Theatre Organ Club.

The Stockwells At Convention

Chum and Helen Stockwell, 7133 Belleville Road, Belleville, were among the more than 6,000 distributors attending the Eighth International Convention of the Amway Corporation and their independent distributors, April 24 through April 27 in Grand Rapids.

In May, 1954, the U.S. WAC Center at Fort McClellan, Alabama was designed and established especially for women.

PASTOR'S POINTERS

Have You Ever Lost 61-1

by REV. JAMES BRADLEY

DO YOU SOMETIMES get the feeling you are on a treadmill? Does it seem you're walking through life wearing heavy boots? That's the impression I get most of the time. You've heard of people that are accident-prone, well, no matter how hard I try, I seem to be loser-prone.

For every step forward, I slide two back. My lucky star has stopped twinkling, and someone has even ripped the silver lining from my dark cloud. I probably wouldn't even mention it, but I was just sitting here and got to adding up some of the misfortunes of my life. I've just about come to the conclusion that I'm a born loser. Here's an idea of what I mean.

A few years ago our church had a lousy softball team. We were beaten, 61-1, in a seven-inning game. Have you ever lost 61-1? People thought the newspaper had made an error in printing the score, but we assured them that we did score one run. Our left fielder made two circus catches with men on base of the score could have been lopsided. We never had the courage to pray: "May the best team win." The only doubt about the game was whether we would show up. We were out in the field so long we forgot what day the game started. The other team asked if they could use courtesy runners, not because of injury, but because of exhaustion.

In another church softball game, when I was young and single, our team trailed going into the last inning. With the bases loaded, I came to the plate and hit a "grand-slam" home-run to put us ahead. Just call me "Old Clutch". In the last of the inning one of their players hit a homer with the sacks clogged to win the game. Fame had once again eluded me.

The fickle finger of fate always seems to be jabbing me. I had trouble making any baseball team in my younger days until one day I saw a team practicing on a corner lot. The coach watched me play for awhile and said I definitely would add strength to the ball club. He introduced me to the rest of the team. "Jim," he said, "I'd like you to meet Betty, Marsha, Ruth, Rosemary, Zelda..."

Last summer I played in a golf league, and for some still undetermined reason, I finished in first place. My partner and I came in 2nd in the doubles event. This meant I would receive two trophies, one for each accomplishment. Fortune surely was beginning to smile on me, I thought. That is, until the chairman of the league stood up after the last round (of golf) and cheerfully announced, "The trophies will be given out Saturday night at Joe's Bar." Foiled again.

Here are some more symptoms that give me that uneasy feeling of being a born loser:

A dove won't fly in my kitchen window, even when I put food on the sill.

I went to my astrologer and asked what sign I was born under. He asked, "Would you believe skull and crossbones?"

They wouldn't show me on TV because I don't smoke and couldn't hold up a Lark pack. I'm not a flavor-grabber, either! I tried buying one brand of cigarettes just for the coupons, but the clerk said, "No Sir! You've gotta smoke 'em and take a chance on cancer like the rest of us."

I walked a mile for a camel and all they had left were two mules.

I bought a new two-pants suit and burned a hole in the coat.

The gas station that says: "As you travel - ask us", refuses to speak to me.

The Ajax White Knight, charging toward me to the cry of "Stronger than dirt," missed me when he pointed his lance.

Brand X is always given to me at the grocery store.

"Thirty Days to a More Powerful Vocabulary" takes me 45 days.

I read "Winning Football" and the best I could do was tie.

When I went to get my license plates I stood in line for two hours. When I reached the clerk she said, "This line is just to tell you which other line you stand in to get your plates."

People on TV look right at me when they say, "You've got bad breath!"

They flew the flag at half mast the day I was born.

Our football team used Green Bay Packer Coach Vince Lombardi's book, "Run to Daylight" for our guide. The league scheduled all our games at night.

Harold Stassen wants me to run as his vice-presidential candidate.

Wonder Bread only builds my body stronger five ways.

I run out of milk on weekends.

Ralph Nader and I were ticketed for jay-walking.

I used the dentifrice with the well-known fluoride and had 21% MORE cavities.

See what I mean? Everything I do seems to turn out wrong. Do you suffer from any of these symptoms? If you do, we're in the same boat, and even it seems to have sprung a leak.

Junior High Presents 'Bands on Parade'

ON MAY 10
BELLEVILLE -- Belleville Junior High School will present "Bands on Parade", Friday, May 10 in the school gymnasium at 8 p.m. Admission is free. Four band groups directed by Richard Coffelt, with a total membership of 160, will play a varied program of band music. Gay Nineties Waltz, Dry Bones in swing style, and selections from Rogers and Hammerstein's musical "South Pacific" are a few of the numbers to be performed.

THE "EXCELLENT" rated Concert Band of 70 members will perform the three district band festival numbers that brought to its members an advancement in their band training. After the spring concert this group will spend two weeks

training in preparation for their annual appearance for the Belleville Memorial Day Parade, Sunday, May 26. The Choir and Orchestra Concert at the Belleville Junior High is Friday, May 17, at 7:30 p.m. with James Melby and Helen Joseph directing their respective groups.

W.D. McMaster Leaves Bank

DETROIT -- William D. McMaster, Public Relations Director, Bank of the Commonwealth, has announced his resignation to launch his own public relations firm, bank officials reported. Until McMaster's replacement is named, public relations programs will be handled by Marvin Robertson.

Van Buren School Board Minutes

REGULAR MEETING

March 11, 1968
The Regular Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on March 11, 1968, at 8:00 p.m.

Members present were Muse, Hopka, Baldwin, Williams, Bole, Schweigert and Hay. Also present were Superintendent Wetherell and Business Manager Egan.

The meeting was called to order at 8:03 p.m. by President Bole.

The minutes of the Regular Meeting of February 12, 1968 and special intervening meetings of February 26, 1968 and February 29, 1968 were read and approved.

The bills for the month of February were reviewed.

Motion by Muse, and supported by Baldwin, that the bills, as presented, less the Standard Oil Co. account billing, be approved for payment. Motion carried.

Mrs. Lois Jordan appeared before the Board to have a student, Clarence Emmerson, reinstated in the High School. Principal Ford related the experience of the High School staff with this student and recommended that this student be expelled for the balance of the school year.

Motion by Hopka, and supported by Baldwin, that Clarence Emmerson, a High School student, be expelled for the balance of the school year 1967-68. Motion carried.

Edward Gielinski and Sam Villa appeared before the Board to request use of the High School Football Field for Little League Football. Decision was delayed until a future meeting.

The attached bid on school bus chassis and bodies was considered at this time. Motion by Hopka, and supported by Schweigert, that a decision on purchase of eight new school bus chassis be tabled for further study. Motion carried.

Motion by Muse, and supported by Williams, that bus bodies bids be tabled until a decision is made on the bus chassis. Motion carried.

Motion by Schweigert, and supported by Baldwin, that the low bidder for a new water service and tap at the Elwell Elementary School, Akron Contracting Company, be awarded the contract for the sum of \$7,361.56. Motion carried.

Motion by Williams, and supported by Muse, that Mrs. Helen Nass be appointed Acting Assistant Principal of the Belleville Junior High School as per recommendation of Principal White and Superintendent Wetherell. Motion carried.

A petition was received requesting that the new Junior High School be named the James C. Campbell Junior High School. Motion by Baldwin, and supported by Muse, that this meeting be adjourned. Motion carried.

Robert A. Hay, Secretary

SPECIAL MEETING

March 18, 1968

A Special Meeting of the Van Buren Public Schools Board of Education was held in Superintendent Wetherell's office on March 18, 1968, at 8:00 p.m.

Members present were Bole, Schweigert, Williams, Muse, Baldwin, Hopka and Hay. Also present were Superintendent

Wetherell and Business Manager Egan.

The meeting was called to order by President Bole at 8:10 p.m.

Motion by Baldwin, and supported by Muse, that the Standard Oil Co. statement of \$3,698.66 and the invoice of the School District of Ypsilanti for Special Education tuition be paid. Motion carried.

A resolution was offered by Baldwin, and seconded by Muse, that a Special Election be held on May 6, 1968, for the purpose of proposing an increase of 5-1/2 mills for operation for the Van Buren Public Schools. Ayes - Hopka, Bole, Schweigert, Williams, Muse, Baldwin and Hay.

Nays - None.

Motion by Hay, and supported by Bole, that Mr. Dale Kaulitz be offered a three year contract as Superintendent of Van Buren Public Schools beginning in the school year 1968-69 at a salary of \$21,000.00 for the year 1968-69, \$22,000.00 for the year 1969-70, and \$23,000.00 for the year 1970-71.

Ayes - All.

Nays - None.

Motion by Hopka, and supported by Schweigert, that this meeting be adjourned. Motion carried.

Robert A. Hay, Secretary

SPECIAL MEETING

March 25, 1968

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library, March 25, 1968, at 8:00 p.m.

Members present were Muse, Baldwin, Hopka, Schweigert, Bole, Williams and Hay. Also present were Superintendent Wetherell, Business Manager Egan, Elementary Supervisor Gray, Principals Ford and White and Assistant Principals Coplas and Nass.

This meeting was held with administrators present to review the budget to determine in what areas cuts might be made to meet the current income.

It was decided after considerable discussion that a small committee of Board members and Administrators would meet later this week to decide on a proposal to recommend to the Board that would bring our total operation within the expected income.

Motion by Baldwin, and supported by Muse, that this meeting be adjourned. Motion carried.

Robert A. Hay, Secretary

Jay Kesler to Speak At United Missionary

BELLEVILLE--Jay Kesler, vice president of personnel for Youth for Christ International, will speak at Zion United Missionary Church on May 12 at 11:00 a.m.

JAY KESLER

The meeting will be held at 89 Edgemont Ave., Belleville.

Kesler is a graduate and former staff member of Taylor University. He has served as a pastor, Youth for Christ director on both local and regional levels, and as a crusade evangelist for Youth for Christ International.

Currently charged with the personnel and training needs of the international program, Kesler directs the Personnel Division of Youth for Christ International as well as the Summer Institute of Youth Evangelism at Winona Lake, Indiana.

These responsibilities have taken him recently to nearly all of the United States and Canada as well as Australia, Singapore, India, Lebanon, England, Italy and Africa.

His extensive travel has included speaking assignments in churches and schools in addition to lecturing and conducting clinics on youth evangelism on both the lay and professional levels.

Youth for Christ International is an interdenominational organization specializing in teenage evangelism in 49 nations. Its headquarters is in Wheaton, Illinois.

Rotary Club Hears Talk On Prisoners

BELLEVILLE -- An interesting talk about the personalities of people who are in prisons was the highlight of last week's meeting of Belleville Rotary Club held at the First Methodist Church of Belleville.

Oscar Olive, supervisor of Employment Placement at the Federal Correctional Institution at Milan, Michigan, was the guest speaker. He spoke on "Prisoners, Who are They?"

Olive, born in Bascom, Florida, graduated from Florida State University Tallahassee, Florida, with a bachelor of science degree in Criminology and Corrections.

He came to the Federal Correctional Institution at Milan in 1966. Prior to this he worked at the Federal Correctional Institution at Tallahassee and the United States Penitentiary.

School Chiefs Name President

EAST LANSING -- Frank R. Heselton, member of the Sault Ste. Marie Board of Education, was named president of the Michigan Association of School Boards to succeed Walter C. Avelill, Jr., of Saginaw, who resigned from the presidency for health reasons.

Heselton is a 1933 graduate in Civil Engineering from Massachusetts Institute of Technology and is the Assistant Chief of Lock Operations at St. Mary's Falls Canal.

He has been a member and

treasurer of the Sault Ste. Marie Board of Education for the past 15 years and a member of the Chippewa County Tax Allocation Board for that same period of time.

Heselton served as president of the Upper Peninsula Association of School Boards and Superintendents and vice president of the Michigan Association of School Boards and Superintendents and vice president of the Michigan Association of School Boards Association of this State.

Nursing Home Week is Proclaimed; 473 Homes in Michigan Are Honored

The week of May 12-18 has been designated "Nursing Home Week" honoring the more than 13,000 licensed nursing homes in America.

Of the 600,000 patients that receive professional care in these homes, more than 23,000 live in Michigan. Governor

Romney has issued a special proclamation that reads:

WHEREAS, licensed nursing homes and related facilities for the care of the aged and the convalescent in Michigan now number 473, and

WHEREAS, these facilities offer not only medical, nursing and personal care, but also provide rehabilitation, and spiritual programs designed to provide a "fuller life" for the aged and the convalescent, and

WHEREAS, licensed nursing homes not only have broadened their potential for service and have taken on an increasing role in the aged, and

WHEREAS, the Michigan Nursing Home Association and its member homes have provided leadership and made important contributions to raising the quality of care and broadening the services offered by nursing homes and related facilities, and

WHEREAS, the nursing homes and related facilities in this state are participating in National Nursing Home Week, May 12-18, 1968, and

NOW THEREFORE, I, George Romney, do hereby proclaim the week of May 12-18, 1968, as Michigan Nursing Home Week, and urge residents of this state to acquaint themselves with the services and contributions offered by licensed nursing homes and related facilities to assure a fuller life for the aged, the

chronically ill and convalescent of all ages, and

I further urge our citizens to visit a nursing home to acquaint themselves with its patients and the problems, the progress and the potential for the future that nursing homes offer for the improved health care of our aging citizens.

The state's 435 licensed nursing homes are represented by the Michigan Nursing Home Association. Joseph Mash of Detroit is president.

BECAUSE THE life expectancy of the average American has increased by 15 years since 1900, the need for nursing and convalescent care for the elder citizen has become a demanding problem. With the advent of Medicare and Medicaid, Michigan's nursing home facilities are experiencing ever increasing demands.

While Medicare covers a limited period of time under prescribed conditions, the number of short term convalescent patients has increased substantially.

To meet these demands, many new facilities have been completed during the past year, and many more are currently under construction. Medicare is a federal program, Medicaid, which covers long term illness, is a joint federal-state program.

Residents in nursing homes receive not only medical and nursing care, but also physical therapy, occupational therapy, speech and hearing therapy, recreation, social and religious activities, and dietary and nutritional planning.

MORE THAN 20,000 registered professional nurses work in nursing homes. At least 25,000 licensed practical nurses and more than 120,000 nurses aides help make up the nursing staffs, according to the American Nursing Home Association. Because of this, a major problem nursing homes face today is the growing shortage of professional nursing personnel.

An estimated \$2 billion plus is spent on nursing home care annually, according to the American Nursing Home Association.

Michigan's nursing homes are licensed by the state under strict requirements established by law. Michigan is among the top five per cent of the states regarding the strictness of its licensing laws. In addition to the rigid requirements of the state, the Michigan Nursing Home Association also polices its members as to their adherence to the Association's code of operations and ethics.

Mother's Day, May 12th, marks the opening day of "Nursing Home Week," and the members of the public are urged to visit the nursing home in their area on that day, perhaps to cheer up a mother whose children couldn't be there.

Only the United Kingdom imports more agriculture products than the U. S.

Patterson Receives Promotion

BELLEVILLE -- Michiel W. Patterson, 20, son of Mr. and Mrs. Ernest O. Patterson, 44243 Michigan Avenue, was promoted to Army sergeant upon completion of the Ft. Knox, Ky., Armor Noncommissioned Officer Candidate course on April 23.

During his 12-weeks of classroom and field instruction, the sergeant was trained in Armor team and troop leadership, combat demolitions, counter guerrilla tactics and fundamentals of attack. He also received instruction on the turret of the M48A3 and M-60 tanks, and a night compass exercise.

CITY OF BELLEVILLE COUNCIL PROCEEDINGS

SPECIAL MEETING
APRIL 29, 1968

A special meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan, was called to order by Mayor Smith, with Councilmen Walters, Palmer, Boone and Amerman present.

Upon motion by Councilman Walters, supported by Councilman Boone, the following resolution was offered:

RESOLUTION

IT IS HEREBY RESOLVED, that the City of Belleville, a Michigan municipal corporation created under and by virtue of Act 279 of the Public Acts of Michigan, 1909, as amended, declares it necessary to construct and maintain a storm sewer line in order to adequately provide the City with sufficient storm sewer facilities on land described as:

Lot 331 Huron Park No. 1, a subdivision of part of Section 22, T. 3S., R. 8E., Van Buren Township Wayne County, Michigan, according to the plat thereof as recorded in Liber 56, Page 14 of Plats, Wayne County Records.

BE IT FURTHER RESOLVED, THAT THE City of Belleville, a municipal corporation, hereby declares it necessary to take the following described property in the City of Belleville, County of Wayne, State of Michigan, for such public improvement and public purpose within the scope of its authority and declares that such public improvement and public purpose are for the use and benefit of the public. That said property to be taken is described as follows:

Lot 331 Huron Park No. 1, a subdivision of part of section 22, T. 3S., R. 8 E., Van Buren Township Wayne County, Michigan, according to the plat thereof as recorded in Liber 56, Page 14 of Plats, Wayne County Records.

BE IT FURTHER RESOLVED, that the City's Attorney be and he hereby is authorized and directed to institute the necessary proceedings to acquire by condemnation, or to acquire by purchase the said described property on behalf of the City of Belleville in the Circuit Court for the County of Wayne and to carry out the object of this resolution of taking the private property by said City of Belleville and for a just compensation to be made.

AYES: WALTERS, PALMER, BOONE, AMERMAN AND SMITH.

NAYS: NONE.
Mr. Richard Bailey, City Auditor, attended the meeting for the purpose of studying the 1968-1969 tentative budget. Motion by Palmer, seconded by Amerman, that one \$18,000 certificate be purchased for the Cemetery.

Carried; Unanimously.
Motion by Amerman, seconded by Palmer, that the City accept the offer of \$35.00 per month, rent from the National Bank of Detroit, for the Roys Street Parking Lot. Agreement to be terminated upon 30 days written notice from either party.

Carried; Unanimously.
Motion by Palmer, seconded by Walters, that the Fire Chief be authorized to make decisions, as to the use of the fire equipment.

Carried; Unanimously.
Motion by Walters, seconded by Boone, that the meeting be adjourned.

Carried; Unanimously.
